COUNCIL DEFENDS 'PIG'S EAR' VOTES

EDDC stands by criticised Section 106 decision

BY ANDERS LARSSON
anders@tindlenews.co.uk

A LOCAL authority says two votes on how to spend Section 106 money don't constitute "a pig's ear" — but best practice.

East Devon District Council (EDDC) defended the decision after one of their own numbers criticised it.

EDDC and Axminster Town Council sought public opinion on how £100,000 of Section 106 money (generated from developers as part of the planning process) should be spent.

The town council arranged a poll with an August 15th deadline for those on the electoral rolls of Axminster and Raymonds Hill.

But a second poll, including those not on the electoral rolls, was suddenly announced for August 20th, and held at the market in Axminster.

The market stall was manned by EDDC officers plus district and town councillor Douglas Hull, who said: "It's a pig's ear having two different votes.

"I've been asking EDDC for a proforma on how the whole thing should be set. They are now beginning to write one, but it should have been done a long time ago."

He is not against allowing young people to have a say, but feels the second vote has caused confusion.

An EDDC spokesperson said: "The town council initially sought the views of residents through a public meeting, held in the Guildhall, and a ballot.

"In subsequent conversations with our Community Engagement Officer, it was agreed that a further public consultation should take place to ensure as many people as possible, and particularly those under 18, had the opportunity to vote.

"We refute the suggestion that the whole exercise was 'a pig's ear'. It is best practice to conduct consultations of this nature in a number of different ways, and particularly in a face-to-face environment. We have listened to Councillor Hull's request for a protocol for conducting similar town-based consultations throughout the district, and this will be in place for future exercises.

"According to our information and the Government's Participatory Budgeting Unit, EDDC is the first authority in England to do this work in this way, so we are breaking new ground."

Sixty-seven people took the opportunity to vote at the market, and town councillor Jeremy Walden said: "It is particularly welcome that a number of young people have got involved in deciding what play and recreation facilities they want to see in Axminster."

Both sets of votes are with Axminster Town Council and will be counted on a date to be announced.

The EDDC spokesperson added: "Our Section 106 Officer will be meeting with Axminster town councillors.

"We anticipate that, by following the Participatory Budgeting process, the projects receiving the most votes will be the ones that are implemented. However, the final decision must rest with the town council and the 106 Officer."

Kindergarten change of use

DOLPHINS Kindergarten has applied for permission to change the use of the first and second floors at Gospel Hall Terrace, North Street, Axminster, from dwelling to a children's day nursery.

In a letter responding to initial questions from East Devon District Council's (EDDC) planning department, applicant Mrs J Morrissey writes: "With regards to noise issues I would firstly point out that we are situated near a local play park, so residents are used to the noise of children playing often during evenings and weekends, whereas my business will be conducted during normal working hours."

Regarding cars, the letter points out that most children are local and arrive on foot, and children are collected on a phased basis and not at the same time.

EDDC has started its consultation process and hopes to reach a decision no later than October 5th.

Crash in field

THE occupants of a Vauxhall Corsa avoided injuries when the car left the A358 at Musbury.

The car went through a hedge and ended up in a field just before 4.45pm on Tuesday, August 18th.

Police, firefighters and ambulance service personnel were called to the scene, and police said there were no injuries.

Fete's £800

A SUMMER fete in Axminster raised just over £800 for The Alzheimer's Society.

Silverleigh Care Home's staged its summer fete on July 25th, which was officially opened by town, district and county councillor Andrew Moulding.

Time for kids to show their new nursery

BY ANDERS LARSSON
anders@findlenews.co.uk

AN Axminster day nursery will show off its new premises during an open day next month.

After a protracted planning battle, change of use permission was given for Tick Tocks Day Nursery to move into a bungalow named Yarty View in Lyme Close.

Nearby householders were concerned about a potential for noise and traffic problems, and the matter was referred to East Devon District Council's Planning Inspections Committee, which gave its permission on July

10th.

But once permission was given, the day nursery quickly relocated from its then premises in Coombe Lane.

Staff and children moved in on August 3rd and co-owner Lynn Knight commented on the planning saga and relocation by saying: "I can understand their (the neighbours') concern, but we are not a school with children running round."

"Since we relocated, many parents have commented how their children have settled well into our new nursery and that they are much more relaxed and content in their new surroundings."

Inside, the new premises are actually a little smaller compared to the Coombe Lane premises, but the outdoor area is much bigger.

Lynn said: "The area outside is easily twice as big. The children especially enjoy picking their own-grown carrots, tomatoes and raspberries for snack."

The nursery cares for children aged from six months to six years.

The open day will be staged on Saturday, September 12th between 10.30am and 12.30pm.

Those interested in enrolling their children and finding out more about free places for three-year-old children can call the nursery on 01297 631 972.

Dream for singing family

NICKY Sweetland, assisted by son Zac and daughter Georgie, won Axminster Operatic Society's talent contest by singing I dreamed a Dream, from Les Miserables.

The contest was staged in the Guildhall on Friday, August 14th, and featured 14 acts.

Robbie Waugh was runner-up, singing Bridge Over Troubled Water.

Jan Carter of Axminster Operatic Society said the entertainment on offer was very varied, including an Argentine tango and a flute performance for example. About 100 people came to watch the contest.

Footy club's £200 stolen

APPROXIMATELY £200 were stolen during a break-in at Axminster Town FC premises in Sector Lane.

A member of the public reported that a man was walking with a torch in the area, and the sound of door rattling was also heard just before midnight on Monday, August 17th.

Officers were on the scene two minutes after the call but the perpetrator/s had fled.

Anyone with information is asked to call 08452 777 444 and ask for Axminster police.

The crime incident number is KA/09/438.

Witness plea

POLICE are asking for witnesses to a daylight dwelling break-in at Gamberlake, Axminster.

Someone entered a garage to acquire a ladder before climbing in to the house through a window.

Nothing appears to have been stolen but police would like to hear from anyone who might have made useful observations.

The incident took place at some point between 11am and 3.45pm on Tuesday, August 18th.

The crime incident number is KA/09/440 and the number to call is 08452 777 444.

Driver stop

A MAN was stopped by Axminster police for driving whilst disqualified.

The man was seen leaving Tesco at about 9.45am on Friday, August 14th and was stopped by police shortly afterwards.

Charity concerns as businesses muscle in

BY ANDERS LARSSON
anders@tindlenews.co.uk

"ALL bags you are asked to fill are not for charity."

That is the message from a Colyton resident, and Consumer Direct South West agrees.

Sally Noseda, of Queen's Square, is concerned that charities are missing out on much-needed donations because commercial companies are muscling in.

By airing her fears in public, she hopes to increase public awareness about the situation.

Plastic bags and leaflets are every now and then delivered to homes for Third World clothing collections.

But some are from commercial organisations who sell the clothes on for profit.

Sally's concern is that generous people may not realise they are donating to a commercial organisation as this is often only mentioned in the small print.

She said: "It takes a cynical, and slightly jaded eye to read the leaflet carefully and interpret it correctly that the company is a commercial organisation who are actually going to sell the clothes to the poor."

"They clearly work on the basis that an awful lot of kind and generous souls will assume that any company collecting for the Third World will be doing it as a charitable act and not as a commercial operation."

"It is a sad fact that we have to ask charitable people to think twice before they donate to the poor or the Third World."

"But I'm sure that they would rather be alerted to this situation so that they don't feel that they have been misled and also make sure that the proper charities don't lose out on much-needed donations."

Sally is not the only one concerned. This

newspaper has also been alerted to the situation by people in Seaton, for example.

Consumer Direct South West says it has taken a huge number of calls from concerned people.

A spokesperson explained: "Consumer Direct South West has received nearly 500 calls in 2009 reporting the dropping of clothing collection bags and leaflets through the door."

"We received nearly 60 in August alone."

"Charities often make use of doorstep collections to gather donations directly from people's homes."

"Consumer Direct suggests, however, that you read the plastic bag seeking such donations that slips through your letterbox very carefully."

"The flyers may give the misleading impression that the items are being collected for charitable purposes."

"In reality, the collections may be organised by commercial operators who sell the donated items for profit."

"The misleading impression is in some instances reinforced by a reference to a registration number, which people may think is that of a registered charity but is in fact a limited company number."

Those in doubt can:

- Contact the Charity Commission helpline on 0845 300 0218 to check whether the collection is for, or on behalf of, a registered charity.

- Contact their local authority to see if the collector has been licensed.

- Give direct to a local charity shop instead or via the container at the local recycling point.

The spokesperson added: "Reputable charity collections will bear the charity registration number and many will also carry the Association of Charity Shops Kitemark."

Consumer Direct is available on 08454 04 05 06 or online at www.consumerdirect.gov.uk.

Burglars get technology

A HAUL of technology was taken during a burglary in Chard Road, Axminster, on Tuesday, August 18th.

Thieves struck at some point between 9.15am and 5.35pm, gaining access through a rear window of the dwelling.

Among items taken were a Play Station 3 plus controllers and a headset, an Apple iPod Touch, an Acer laptop, a Lumix Panasonic digital camera, a Sony Walkman mp3 player, a Sony camcorder, a Philips mp3 player, a Sanyo minicamcorder, a Samsung D600 mobile phone, a Citizen Echo watch plus other items including cash.

Police have the serial numbers of the technological items and would like to hear from anyone who can assist investigators. The crime reference number is KA/09/437 and anyone with information is asked to call 08452 777 444 and ask for Axminster police.

Alert of rave

AXMINSTER police have promised "positive action" by preventing a rave from starting or closing it down at the earliest opportunity.

Sergeant Peter Trudgeon says the force has received intelligence that a rave is being planned in a field and on a date yet to be identified.

He said: "Anyone with information to assist with either preventing it [the rave] or to stop it, please give us a call."

"Information can be passed on anonymously, either through Crimestoppers or through police by asking to remain anonymous."

Crimestoppers can be contacted on 0800 555 111 or online by using the form at www.crimestoppers-uk.org

CAMBRIDGE CALLS

Local schools celebrate successful A-level results

FIFTEEN Colyton Grammar School students will go on to study at Oxford or Cambridge.

The school registered a 100 per cent pass rate, with 67 per cent of students achieving the top A grade and 88 per cent gaining A-B grades.

Headteacher Paul Evans said: "It is pleasing to see the recognition of the hard work of students supported by their parents and teachers in today's results."

"The focus can fall on the performance of the very high achieving students but everyone has worked hard to meet their personal goals and is able to confidently make the next step into higher education."

A school spokesperson added: "Virtually all students have secured places at a range of prestigious universities, including 15 who will go on to study at Oxford or Cambridge."

Amongst excellent performers at A-level were: Rebecca Hallett with five A grades, two Distinctions and one Merit in Advanced Extension plus Distinction in the English Baccalaureate Diploma; Francesca Aquilina with five A grades and two Distinctions; Dan Johnson with five A grades and one Distinction; Daniel Cowen with five A grades and one Merit; Billy Hesmondhalgh five A grades.

Students at Axe Valley Community College also achieved a 100 per cent pass.

At least three A-C grades were achieved by 46 per cent of students.

Among the highest performing students, based on points score, were Jenni Collins, Ed Perry and Oliver Smith.

Headteacher Martin Smith commented: "I am delighted to see so many students exceed their target grades. I would also like to thank staff for their hard work."

"Our students deserve extra praise because for three months of the year the Sixth Form Centre was being refurbished and they had to make do with temporary study facilities."

Students and staff at the King's School in Ottery St Mary also celebrated.

A third of all grades attained by students were grade A and 58 per cent of the grades were A to B.

Straight As were achieved by 12 students and the overall pass rate has exceeded 99 per cent.

In a joint statement, headteacher Faith Jarrett and chair of governors Robin Mitchell said: "The results this year are superb and we are thrilled for the students who have worked so hard to achieve some truly outstanding results."

"The vast majority will have achieved the grades needed for their future university place or employment."

Honiton Community College officials praised the hard work and commitment of its students and the continuous support given by staff.

This year's A-level results were described as "a good set of results".

All students were congratulated for their achievements, with particular mention for exceptional second year A-level performances of Caroline Hole, Tom Clemo, Rachael Olive, Leo Jefferson, Alex Beighton, Elisa Cunningham and Ruth Parker.

A college spokesperson said: "Our first year A-level students have also been successful."

"Students to be commended for outstanding achievement are Jack Dixon, Jessica Evans, Daniel Paterson, Philippa Hodgson and Kerri-Ann Upham."

Fete event gets set with family rounders game

BY ANDERS LARSSON
anders@tindlenews.co.uk

THE final preparations are underway for the annual Hawkchurch Village Fete Weekend from August 28th-31st.

The fete weekend kicks off on Friday, August 28th with a fun family rounders match at 6.30pm in the playing field, with food from 8pm.

Those wishing to take part should arrive for team selection at 6pm.

The match will be followed by a barbecue, where children eat free, and live music at the Old Inn.

Saturday, August 29th will see the return of the teddy bear picnic and parachute jump at 12noon - an event that made its debut in 2007 and is back by popular demand.

Children aged under 16 are invited to make a parachute for their teddy bears and prizes will be awarded for best decorated parachute.

Please note that parachutes not made to the organiser's instructions will not be eligible to enter, so please contact Meeri Wallace on 01297 678538 if you need to check instructions.

The Hawkchurch Companion Dog Show will be staged on Sunday, August 30th at the village playing field, with judging to commence at 2pm.

Everybody is welcome to attend with classes for pedigree and non-pedigree dogs, and the schedule of classes is available from Christine Bright on 01297 678498.

Following the dog show there will be a songs of praise service at St John the Baptist Church at 6.30pm.

Also taking place on Sunday evening is a quiz night at the Old Inn at 8pm featuring general knowledge, picture, movie trivia and music rounds at 8pm.

The highlight of the weekend, the

annual Hawkchurch village fete, will take place on bank holiday Monday, August 31st.

Kicking off events will be the Blackdown Hills Steel Band. After the church bells have rung at 1.45pm the fete will be officially opened by Hawkchurch's very own centenarian Jill Bennett.

Entertainment will be provided throughout the afternoon in the main ring with performances from the Goldstar Majorettes and Blackdown Hills Steel Band.

Also appearing in the ring will be Cotley Hounds and Magic Carl with his traditional Punch and Judy Show.

As well as the main ring entertainment there will be a whole host of stalls, games and side shows including bouncy castle, coconut shy, crazy golf, boules and much more.

Cream teas, cakes, ice creams and a licensed bar will be available all day as well as a barbecue and local food.

Pony camp no damp squib

ALTHOUGH Axe Vale Pony Club's summer camp was hit with more than a shower of rain, the weather was unable to dampen the spirits of the members.

The week-long event was held at Hitts Barton Equestrian Centre in Whimble, a first for Axe Vale Pony Club and a perfect location for a fun-packed week for children from three to 16 years.

Club members arrived on Saturday, July 25th and enjoyed a week of lessons in the mornings and games, hacks out and fun in the afternoons.

On Wednesday, July 29th, the children took part in a confined show, which had to be moved inside due to

the endless rain. However, the children continued to smile and all had great success.

Curtis Hoskins on Lucky Charm won the showing championship and the Working Hunter Championship was won by Rosie Baker on Hickstead.

Friday afternoon finished off with show jumping, which had been postponed from the show day. All the children joined in with classes starting at trotting poles and ending with a rather excitable team relay that even the instructors were allowed to enter.

On the Friday evening the parents were invited to a barbecue and a presentation evening to celebrate the success of the children throughout the

week.

The Coombefield Cup for the child who looked after their pony the best went to Hannah-May Westdorp.

The trophy for the person who showed the most Pony Club Spirit went to Molly Joyce.

The cup for the most improved junior went to Clare Daubney.

The Cup for the most improved senior was shared between Natasha Haward and Rosie Baker.

The shield for the pony that the instructors would most like to take home went to Disney who came with Olivia Ford.

The children were picked up on the Saturday and taken home for a wash, after a week of rain, hard work, but a lot of fun.

Additions to bike festival

ADDITIONS have been made to the programme of Seaton Festival of Cycling.

As previously reported, a number of community groups and businesses are involved in the festival, which takes place on September 18th and 19th.

Tour of Britain cyclists will race through Seaton on Friday, September 18th, and the festival is designed to celebrate and make the most of the prestigious race.

Among additions to previously announced activities are Seaton Phoenix street market along the Esplanade on September 18th, and a Rotary Club of Seaton and District quiz at the town hall the same day.

A festival spokesperson said: "Full details will be in the programmes, available in local shops and Seaton Tourist Information Centre and at www.SeatonFestivalOfCycling.org.uk."

Village view of lifestyles

AN assessment of the neighbourhood is to be carried out in Uplyme on Wednesday, August 26th.

The assessment is spearheaded by East Devon District Council (EDDC), but also involves the police and the Red Cross.

An EDDC spokesperson explained: "The purpose of these assessments is to seek residents' views about their neighbourhood and, with the support of all the agencies involved, to resolve any issues they might have."

Assessment team members will gather at the village hall at 10am before embarking on a door-to-door survey. In addition, there will be a drop-in surgery in the village hall from 11am-3pm.

Sky dive pair make 13,000ft charity jump

BY ANDERS LARSSON
anders@tindlenews.co.uk

CO-OPERATIVE staff from Seaton and Axminster branches fell towards earth in aid of charity.

Two members of Seaton's Underfleet Way branch, Jan Thomas and Sharon Stone, raised a total of £1,250 when they launched themselves from a plane at 13,000 feet on Sunday, August 16th.

Axminster staff were also sky-diving and raised £900 the week before on August 9th.

The Axminster crew consisted of West Street branch staff members Sam Mason, Adam

Raison and their friend Edward Brooks.

All money raised will go to The Royal National Institute for Deaf People (RNID), which is Co-op's charity of the year.

Diane Hawker, assistant manager of the Underfleet Way store, said: "We're very proud of our two sky divers."

"They did brilliantly. Thank you to all our customers and staff who helped support this important cause."

Sam Mason, who works at the Axminster Co-operative as a trainer, said: "We chose sky-diving because none of us had done it before and we also wanted to conquer our fear of heights."

"It wasn't as scary as we thought

it would be. It was more exciting than anything."

The money raised will go towards the £2million The Co-operative Group aims to raise for RNID by the end of the year.

A Co-op spokesperson explained: "The charity and The Co-operative will work together to change the lives of the nine million people in the UK who are deaf or have difficulties hearing."

"With the support of its staff and customers, The Co-operative also aims to increase awareness of deafness and the signs of hearing loss."

"Staff hope to reach some of the four million people in the UK who are losing their hearing but doing nothing about it."

Art theme for church flower show

AXMINSTER Parish Church Flower Festival takes the theme of arts and crafts this year, and will also feature a concert.

The festival starts on Saturday, August 29th and runs up to and including Tuesday, September

1st, from 10am to 6pm each day.

Admission is free but donations for the church roof appeal would be most welcome.

Tickets for the preview on Friday, August 28th, at 7.30pm, are £5 each and available from Archway Bookshop and festival

committee members.

A concert with Mike Collins is also part of the festival and starts at 3pm in the church on Sunday, August 30th.

Tickets are £5 each and available from Archway Bookshop or on the door.

Thanks for support

COMPASSION in World Farming has expressed a big thank you to the people who supported its street collection in Axminster.

Collectors took to the streets of Axminster on July 25th to raise money for the farm animal welfare organisation.

A spokesperson said: "The £38.08 raised will enable Compassion in World Farming to continue to campaign for increased standards of farm animal

welfare.

"Amongst a variety of other campaigns, the organisation and their supporters are currently urging councils across the UK to make a commitment to using only cage-free eggs throughout their catering."

More information about the organisation and its campaigns is available on 01483 521953 or online at Compassion@ciwf.org.uk.

Food waste is collected every week

BY ANDERS LARSSON
anders@tindlenews.co.uk

WASTE collection chiefs are stressing that food waste is, indeed, collected weekly.

Householders in towns and villages receiving East Devon District Council's (EDDC) upgraded waste collection service are praised for their "fantastic response". But the council is also keen to iron out a few problems.

The new system was introduced in Axe valley a year ago and a second phase — including Branscombe, West Hill, Ottery St Mary and Gittisham — was added in June this year.

EDDC waste collection chiefs are pleased overall but also concerned that some householders appear to put out their food containers fortnightly.

A council spokesperson said: "Keeping food waste for two weeks clearly negates the concept of the weekly collection regime, which was designed to avoid unpleasant smells and mould caused by decaying food."

"The situation is exacerbated by some householders not wrapping their food waste in newspaper or special biodegradable bags when placing it in the indoor food caddy — as is suggested in the guidance leaflets distributed to every household."

"This results in loose food waste attaching itself to the interior of the outdoor food waste containers."

"This practice not only increases the chances of smells in the neighbourhood but is also a health and safety concern for the collection crews."

Councillor David Cox added: "We are extremely grateful to residents for the fantastic way the majority have responded to the opportunity for giving a huge boost to recycling rates in east Devon."

"We are just asking a few to pay a bit more attention to wrapping their waste and putting it out weekly."

Wedding bliss country-style

OUR wedding season has now come to the end. My Lovely Farmer and I have just been guests at the last in the three weddings we have enjoyed this summer.

I have had a busy time trying to fit newspaper editing in around the hectic schedule of outfits, hen parties, gifts and, of course, fabulous shoes for various weddings. No doubt there were others I was fortunate to miss!

I am pleased to say that each wedding was delightful in its own way and I only witnessed one tantrum from a bride during the run-up to one of the events.

My small friend, who has featured in this column on occasion, was the most recent to tie the knot.

Ambulance driver and former *Pulman's Weekly News* sales executive Bridie Currie married Her Lovely Farmer, Mark Hurford, on Saturday, August 15th in glorious sunshine.

Bridie and Mark, of Axminster, were both brought up in the area and they each wanted to celebrate the occasion with a real country wedding.

Not so easy in this day and age, I thought. How do you recreate a traditional country feel to a wedding in 2009?

I shall enlighten you. A marquee in a picturesque field on Mark's parents farm at Westwater, just outside of Axminster was the setting.

When I arrived on the Thursday ready to lend a hand — very considerate of me to give up some of my precious week off, don't you think? — the marquee had just been erected and, although a very nice large tent, it was, as one might imagine, a little bland at the start.

Two days later, and you would hardly have recognised the place. After an army of busy friends, relations and whoever else the couple could drag in off the street (or country lane) had got to work, the setting was a picture of country life.

Bunting, picnic tables and patio containers bursting with colour, as well as a wooden arch draped in bay leaves, was the scene which met wedding goers as they arrived after the ceremony at St Giles's Church, Kilminster.

A delicious spread of sandwiches and cakes, provided by Gilly's of Axminster, followed the speeches before we took to the sunshine, basking in the beautiful setting whilst some took part in rounders and football matches in the field. And grass underfoot is the best excuse for when you get the champagne wobble later on, blaming the trusty stillettos for your unsteadiness.

So, congratulations to the newlyweds, who are now honeymooning in France, after proving that you can create a perfectly traditional country wedding in 2009.

Invitation to make balanced decision

EDITOR — Any stranger reading the letters in *Pulman's View*, August 11th, would be unable to understand how anyone could possibly object to the Tesco developments in Seaton.

An anonymous reader (Name-and-Address-Supplied) claims "investment, facilities, jobs" and "affordable housing" will come from Tesco — unlike the Sainsbury's proposal, which includes no tourist beds or affordable housing.

To do Tesco justice, it does not make these claims, so where has Name-and-Address-Supplied got them from?

Tesco has put in two applications — a detailed one for now, and an outline one for later.

The detailed application is for a "... retail store (5,996sqm gross) with petrol filling station ... assorted car parking, pedestrian and vehicular access and landscaping. "and they want to start building it as soon as possible.

The outline application covers the rest of the site including the holiday village, and mentions "... housing, tourism, new public realm, petrol filling station, hotel, retail development with public open space and access". However, Tesco is not going to build any of it itself!

It is going to wait until the economy improves enough for someone else to come along and build it. And in the meantime, the land will lie derelict.

There is another problem: all the Tesco land is part of the flood plain of the River Axe.

Before it can build anything on it, it needs to raise the level by up to eight feet all across the site.

That will require an enormous amount of infill — either five years of 70 lorries a day or a potentially disruptive, fabulously expensive sea-borne operation for which it has not even applied for licenses. Even if it is successful in getting these licenses (and there is no guarantee that it will be) Tesco has estimated that it would take eight to 12 weeks by sea, not the one week mentioned by Brian Raine in another letter.

This has serious implications for flooding in the town, and pollution and disruption of the Axe estuary.

A Tesco executive complained at the recent exhibition in the town hall that no-one believed her. So, can't we trust Tesco to do all these wonderful

things for the town?

Regrettably, the answer must be no — and this is not specific to Tesco.

Like any developer, Tesco is in business for profit, and the best way to do that is to promise the maximum and do the minimum. Once the store has been built, it will save a lot of money by forgetting all about the rest of it, leaving us with nothing but the ruins of the holiday village — which it is currently rapidly demolishing. But what else could be done with the land? Must it remain derelict? Not at all.

If a flood plain is used for playing fields no infill is necessary, and Tesco could offer to swap this land (plus new clubhouses) for the smaller sports fields elsewhere in the town — and so extend our recreation space by a factor of four. It could then develop the old sports fields without infill, and recover their investment that way.

This is a complicated situation, and Seaton Development Trust has spent many hours investigating it; so it is understandable that Name-and-Address-Supplied has got confused.

Unfortunately, reality sometimes is complicated, and the future of our town demands that we all make a serious attempt to understand the issues before taking a position.

I invite Name-and-Address-Supplied to join Seaton Development Trust and contribute to a balanced assessment of what is good for the town, rather than just the shareholders of Tesco.

Normally I should ignore Tony Hill's letter in *Pulman's View*, August 18th, but it tells a lie about me personally and I therefore claim the right of reply to correct it.

I have mounted no legal challenges to Tesco, or to anybody else, and I should be glad if you would publish this correction.

Correspondence about local affairs gives life and relevance to a paper, and much of your Letters page is excellent — like Phil Foggitt's thoughtful and responsible contribution on food security. This makes it worth stepping over the dross with which it sometimes is contaminated.

James Semple
Seaton Development Trust

Lack of talk over move

EDITOR — Rod Hull is right to express concern about the lack of discussion about Seaton Town Council's move to Willoughby House (*Pulman's View*, August 4th.).

The council is coming dangerously close to becoming a small town fiefdom.

I have asked questions of the council, about the disabled access to Willoughby House and have yet to receive a satisfactory reply.

To move from an elegant town hall at the end of a pedestrianised road, to a run down residential property on a busy roundabout, with no pedestrian crossing points, seems to me to be at the very least, shortsighted.

It puts the town hall out on the edge of town, where there will no doubt be nicely fitted rooms for the council's extensive political operations, but it will put it at a further remove from the community.

Mayor Semple's response to the questions raised about the lack of discussion shows that the council is losing touch with the community.

Could they not be located on the edge of the marshes, on the fringe of the proposed Tesco development? They could always ferry the disabled in at high water.

Tony Hill
(by e-mail)

Possibility of Honiton vote

EDITOR — I note on page five of *Pulman's View*, August 11th, that nominations for NHS staff awards are being sought. It is obviously too late to hope for awards at the Honiton Surgery, but staff there might be considered next year if they were to stop monopolising all the parking spaces close to the surgery for their own cars and allow the aged and infirm who must use the surgery closer access to the building than the present long up-hill trudge now required.

The associated pharmacy staff might also be considered if they were to open on Saturdays and could dispense prescriptions more rapidly than the three days it currently takes. If it takes three days to make up a prescription now, how far behind will the pharmacy be in 10 years time? Three weeks?

Name and address supplied

Warning to parents of teens

EDITOR — I read your coverage of the "Outdoor Party turns into Chaos" on page 4 of *Pulman's View*, August 11th edition.

The fact is that as an immediate neighbour I was contacted by one of the owners of the field Mrs Susan Vincent at 8.41pm on Thursday 6th August who informed me that her teenage daughter and daughter's friends were having a "gathering" in the field next door to my premises that night and that approximately 30 people were due to attend.

I warned Mrs Vincent that a four-wheel-drive and car containing youths had just driven erratically around my property asking "Where's the party?"

It then became obvious to us that the event was quickly spiralling out of control and the numbers were in excess of those originally stated and it had become a small unruly mob as seemingly gatecrashers were turning up. Drunken youths were wandering

the busy main roads and vehicles were creating problems for other motorists.

I phoned Mrs. Vincent at 9.56pm to inform her of these facts. Several members of the public called the police.

I should like to take this opportunity of thanking Axminster Police and other members of the Force whose resources were already stretched because of commitments with the Sidmouth Folk Festival.

I am so grateful that they turned up and dispersed the trouble makers and secured the area.

In my opinion there was insufficient adult supervision (if any) at the teenagers' original gathering and inadequate precautions were in place to deal with an ever expanding number of youths.

In the article the police suggested that gatecrashers arrived as a result of this event being "advertised" on a social networking site by "someone".

Circumstances like these that descend into chaos are both frightening and damaging to all residents and businesses in the immediate area.

As one of those directly affected I personally have not had one word of apology (to date August 16th) from Mrs Vincent or any of the other organisers whose teenagers were involved.

I hope that this is a warning to parents of teenagers to take precautions and properly supervise any event that may end up deliberately or otherwise on the internet.

Councillors should listen to residents

EDITOR — Seaton's mayor insists that the town council's decision to move to Willoughby House is final and that there will be no public consultation.

Councillor Semple believes that moving the council offices will not have a detrimental effect on the long term future of the town hall.

I have to disagree, every loss of revenue (£2,000 in this case) is bound to have an effect on the long-term future of the town hall. Also it is quite possible other events currently held at the town hall will also move to Willoughby House leaving the town hall struggling to survive. Can the town council give any guarantee that the people of Seaton will have the present town hall in five years' time?

By spending such a huge amount of money, £500,000 plus the extra running costs, this council is putting the town in debt for years to come, can we be really sure that these costs will not escalate as the project proceeds?

It would seem that those who were elected to stand up for Seaton have forgotten their election promises of being a more open council and one that would listen to public opinion so what can be done? It seems the only option is to object to the town council's planning application for change of use presently with EDDC, and to remind our councillors that if they wish to be re-elected they should listen to the electors.

Real issue under debate is bringing prosperity to town

EDITOR — I would like to add my voice to those letters published in recent *Pulman's View* issues regarding the Sainsbury-Tesco issue.

We need to remember that the real issue under debate is that of Seaton's regeneration and creating a co-ordinated range of facilities which will bring prosperity back to the town. However, whether or not people agree that Seaton needs another supermarket, the fact is that the town badly needs the financial input from such an organisation to start it on its road to regeneration.

The proposal from Tesco includes no firm commitment towards regeneration: all their proposal consists of is a large supermarket and petrol station, bang on the threshold of the Gateway to the Jurassic Coast, on what should be a prime regeneration site, and 400 houses

cramped together, of which less than two out of ten are to be affordable. As though this is not bad enough, they have the arrogance to offer Seaton nothing in return for becoming a blot on our landscape. No visitor centre, no facilities, no swimming pool to replace the one they are in the process of knocking down.

In contrast with this, as most informed readers thankfully realise, Sainsbury's have demonstrated a willingness to commit funds to improving the town's facilities: full planning permission included for the visitor centre, a cycle hub for the sustains network and enhanced tram facilities. It is an opportunity that Seaton should not allow to slip through its fingers.

There is of course more to this. The regeneration is all about re-invigorating the town's tourism. It is

about getting people into the town getting them interested in the array of historic and natural attractions that surround the town and getting them to stay longer. The town's future prosperity cannot be built upon a foundation of day tourism alone. A wide range of visitor accommodation as well as leisure facilities are needed. Seaton's gem of a visitor attraction, the tramway, should be extended down to the seafront as per the original town design statement. Why not use it to bring people right into the High Street also? Whilst more needs to be done Sainsbury's proposal is an excellent starting point for the town.

As for the eyesore of a demolition site left by Tesco it is too short-sighted a 'solution' to let them have their own way and stick a store on it. With a Sainsbury's in position in the Underfleet combined with the other

developments promised it will be easier to attract high quality investors and for the town to benefit from something more worthwhile being made of this site in the long term. Tesco, without planning permission would be forced to sell the land. They won't shed too many tears over it, they will be too busy trying to stick a Tesco Metro somewhere near the seafront. Seaton, at least, will not have sold its soul but will have taken a step forward in the right direction.

Get it right and over time we will see a thriving seaside town. Get it wrong and Seaton will become the largest constituent of the east Devon Tesco monopoly and a destination supermarket town with its visitors benefitting the shareholders of Tesco and not the community.

Fundraisers very grateful

EDITOR — The Army Benevolent Fund is most grateful for the generous support given to the collections held at Tesco, Axminster, on Thursday, August 13th when £305.36 was raised and at the Co-op store, Seaton on Friday, August 14th when £340.97 was raised.

The fund is dependent on voluntary donations to carry out its vital role of providing support to soldiers, former soldiers and their families, the demand for which has increased with the mounting number of severe casualties arising from the current operations in Afghanistan. In 2008/09 the Devon branch of the ABF made grants of £141,000 to individuals and families. Nationwide the fund distributed grants amounting to £4.7m.

The organisers thank all those who gave donations, the stores where they were held and the Royal British Legion, Seaton branch which assisted with the Co-op store collection.

Beauty is in the eye of the beholder

EDITOR — In Tuesday's newspaper Edward Backhouse was quoted saying he thinks both store plans are wrong for Seaton and that the Tesco site is "an eyesore".

Oh, dear. How sorry I am, for poor Mr Backhouse. Living in Fleet Court, he doesn't really see it and beauty, as we all know, is in the eye of the beholder.

We think it is a lovely wildlife park... and hope that no-one will spoil

it by building all over it.

It was an eyesore, before they knocked down all the old cabins, I agree, but first we had the fun of watching the huge digger (known familiarly as the dinosaur), knocking them down, chewing them and spitting them into skips and then... and then. The wildlife took over.

A largish deer, species unidentified, and a muntjac were first.

They only visited, but a fox came

regularly, two cock pheasants strutted around, with their attendant harems, rabbits were all over the place and just to prove it is a flood plain, a pair of ducks took up residence, when it rained hard enough for a duck pond to form.

But best of all was a pair of smaller deer... red? Or perhaps fallow? Who spent most days, last summer, in a small clearing almost under our windows.

Since the demolition of the holiday camp, we haven't seen so many.

They have always come from the east, of course, and presumably they can't get through now.

With luck, though, they may start visiting again, when Tesco has knocked down everything there is to knock down. Who knows?

Staff thanks

EDITOR — Having recently spent two weeks in Honiton Community Hospital I wish to thank all the staff for their wonderful care.

It really is a community hospital in the best sense of the word. Every single person there was kind and thoughtful, from the cups of tea just the way I like it to the skilled attention of all the medics who really seemed focussed on getting me fit again. Other patients and visitors were a lovely lot too. A really positive experience.

Summer kitchen makeovers with no hassle

Planning a total kitchen makeover, complete with new units, fittings and appliances, might have been ruled out by the credit crunch. But replacing the worktops will completely transform your kitchen and add value to the property, at a more affordable price.

You could introduce a whole new colour theme, possibly with a neutral tone on the units around the walls, a different finish on an island countertop, and a complementary or contrasting look for a statement splashback. With 60 different colours options the choice is yours: the décor permutations are endless.

Whether the look you design is bold and colourful, cool and contrasting, classic or cottage style, the worktop material you choose has to be up to the job. It needs to be stain, scratch and heat resistant, easy to clean, extremely durable and reasonably priced.

Thankfully, there are many traditional and high-tech materials to choose from, like granite, engineered stone, laminate, tile, glass, hardwood, even concrete – and each has its pro's and con's. But, there's an advanced worktop surface that is perhaps less familiar, which is manufactured exclusively by Granite

Transformations and is available locally from its showroom based in the Newton Centre, Marsh Barton, Exeter.

Marketed as the *Trend Collection*, this unique material is made from Italian granite, quartzite or tempered glass, bonded together with 5% specially-formulated polymers, making it non-porous and much harder than slab granite.

So you get the look, strength and quality of natural materials, without the other drawbacks. There's even a lifetime guarantee, because worktops are measured and fitted by the manufacturer.

There are two additional aspects that distinguish *Trend* surfaces from others on the market. First, by virtue of an exclusive production process, they are just 6.5mm thick and less heavy than granite or similar materials, so they fit on top of your existing kitchen worktops, to give a luxurious new look without messy, inconvenient and costly demolition. What's more, the material can be shaped with sweeping curves and soft bends, adding to the creative possibilities.

www.granitetransformations.co.uk/exeter

Secondly, *Trend* slabs are diamond polished in sections measuring a generous 1.24m x 3m, which means most worktops can be fabricated with fewer joints, adding to the luxurious look. Seamless bonded edges further enable virtually any worktop depth, from a subtle 20mm trim to a complete waterfall end.

Nor does the good news end there. Granite Transformations can produce a complete kitchen transformation in less than a day, since every worktop installation is manufactured made-to-measure in the factory, with trained fitters completing the job at your home, within hours.

So, for that stunning new-look kitchen you'll love, without all the hassle, think *Trend* – and start one too!

Visit their showroom at:

TONY JACKSON

From birds to snakes...

IT'S all happening in Chard! From rare birds to snakes, the neighbouring town just a stone's throw from east Devon is the certainly the place to be!

First, two bird watchers at Chard Reservoir, Kevin Harris and Andy Ginter, came up trumps when they spotted a great white egret in the middle of August, a bird which is seldom recorded in this country. Found in south-east Europe and Asia, this dazzling white heron normally migrates to Africa, so this one obviously got its sat-nav wrong! On the same occasion the two lucky twitchers also saw (I nearly wrote spotted) a spotted redshank, another rarity, but not in the same league as the great white egret or heron.

It is, perhaps, not altogether surprising that Chard Reservoir is attracting occasional rare birds as it has wetlands, reeds and a variety of fish and insects. Richard Lappage, Countryside Manager at South Somerset District Council, hopes that the work by rangers and volunteers to expand the reed-beds and generally improve the habitat will attract an even wider range of species to the water.

Snakes in Chard? Well, yes, it seems, according to a newspaper report, that one simply can't go shopping without finding a python in your bag! That at least was the rather unfortunate experience of Lesley Coles, 63, who, when she picked up her shopping bag from a cupboard was shocked to discover a three foot young python nestling in the bottom of the bag. Frightened of snakes, she telephoned for her daughter for help and eventually the RSPCA were called to deal with the reptile. It is thought that the snake, presumably an escaped pet, might have been living in the cupboard for several months. As pythons can grow up to 15 feet, it's fortunate she found the snake when she did! The creature has now been re-homed.

Adders, too, have been in the news with claims that several dogs have recently been bitten by these, our only poisonous snake. Dogs are, in fact, not infrequent casualties, for rooting around in cover, if they disturb an adder it is likely to retaliate. I once owned a German short-haired pointer which was bitten on the head and suffered massive swelling and discomfort from the poisonous snake injection, while a friend tells me that her horse was also recently bitten on a back leg. It is thought that the animal was lying down and an adder, disturbed by farming operations, slithered into the horse by mistake and then, frightened, bit it.

Attacks on humans are rare and there are, I believe, few authenticated cases of death from an adder bite and even then there may have been an under-lying health problem. Normally, this snake has not the slightest desire to attack a human, but will make every effort to vanish into cover if disturbed. Unfortunately, ignorance about snakes still prevails, so that the totally harmless grass snake, which may grow up to three or four feet in length, is all too often confused with the adder. Last year I discovered a grass snake swimming in my pond, doubtless in search of frogs or newts, for it is a ready swimmer and will often be seen undulating through the water in search of prey.

Whilst the grass snake lacks the poison fangs of the adders, it does have one defence mechanism which can prove unpleasant, as anyone who has tried to pick one up will discover. It is capable of producing a disgusting fetid stench, not unlike garlic, and which will usually guarantee that the handler puts it down immediately!

Incidentally, whilst watching a cloud of butterflies avidly feeding on a buddleia in the garden, amongst the many small tortoiseshells, painted ladies, peacocks, red admirals and whites, I spotted a wall butterfly. Once common, this attractive little insect, with fritillary-like marks, is now quite rare and is certainly the first I have seen for several years.

Explanation of therapies

AT the July meeting of Thorncombe WI, Mandy Stead told members about all kinds of alternative therapy and explained why it was complementary.

She demonstrated some reflexology on a willing volunteer who was given a pampering foot massage and was somewhat reluctant to get up from her reclining chair!

The competition for an old remedy was won by Sheila Joyce and flower of the month winner was Margaret Goldborough.

At next month's meeting, to be held on Tuesday, September 8th at 7.30pm in the Community Room, James Verner will talk about Contemporary Studio Furniture. The competition is for a small wooden object. Tea hostesses will be Tricia Shakeshaft and Mavis Stevens. Don't forget flower of the month.

Worship al fresco style

WORSHIPERS at Kilminster Baptist Church were invited to the annual Hemyock Baptist Church barbecue event.

In March this year the Kilminster church suffered a serious fire to its premises and this prompted the Hemyock congregation to invite their Kilminster counterparts to the annual event.

A spokesman said: "Hearing the Kilminster Baptist Church had suffered a serious fire to its premises leading to the loss of the main church building earlier in the year, the people at Hemyock wanted to show solidarity with the Kilminster congregation, and so invited them to join in."

David and Nick talk of ambulance service

AT a recent meeting of the Axminster Women's Section, Royal British Legion, paramedics David Moulding and Nick Searle came along to talk about their work in the ambulance service.

Firstly, they spoke of the great improvement and change there has been over the last 15 years within the ambulance service with new technology, equipment and response times. Recently, following funds raised from the Lifeline Appeal, a defibrillator, costing £24,000 was purchased. Dave Moulding demonstrated how this vital piece of equipment works. Once switched on, verbal instructions are given to the user as to how to fit pads to the patient's chest and appropriate level

of shock treatment required to resuscitate the patient.

The equipment gives the paramedics an instant reading, which is relayed to the cardiologist in hospital, who, after checking the ECG, can pinpoint the blockage.

This information, prior to the patient arriving at hospital, saves vital time and consequently lives. If the journey time is too great, particularly in rural areas, then the patient is transferred to hospital by Devon Air Ambulance, another invaluable service which is completely funded, annually, by public and business donations.

Ten to 15 years ago not all patients suffering a severe cardiac arrest would have survived the heart attack,

or a long distance journey by ambulance to hospital in Exeter.

Afterwards, we were allowed to inspect a modern fully equipped ambulance.

Costing £200,000 each, these state-of-the-art vehicles are fully equipped with vital drugs and equipment for all types of emergencies. The paramedics are required to check every item, every day, to ensure all equipment is in working order and every item used the day before is replaced prior to their shift starting.

This check alone can take over 45 minutes.

Dave showed members a vital piece of equipment called the McGills forceps for checking and removing blockages in the throat, pointing out

that all pieces of equipment are coated in a sterile solution.

It takes five years to train paramedics, following initial training as technicians.

Both Dave and Nick have been in the service for almost 30 years, following work in other areas, Nick for instance previously served with the Axminster Fire Brigade.

Members of the Women's section are most grateful to both Dave and Nick giving up their off-duty time to come along and talk to us.

Their talk endorses how fortunate we are to have a National Health Service staffed by dedicated doctors, nurses, paramedics and other ancillary staff who work so tirelessly to save lives on a daily basis.

Embroiderers show and tell about works

THE members of West Country Embroiderers, Ottery St Mary, recently held a show-and-tell morning.

Each person brought a piece of work and explained how they were making it. There was a great variety of pieces which showed a wide range of ability.

Last month, Christine Barber, one of the members, taught silk ribbon embroidery. This proved to be very interesting and gave very pretty results.

Anyone interested in learning how to stitch or expand their knowledge of embroidery stitches will be welcome to join the group which meets on the first Monday of the month at 10.30am.

New members or visitors are welcome to join the group and see what it is all about. For more information telephone Pat Snelling on 01404 812651.

1st Birthday Celebration - 4 August 2009

There was plenty to celebrate when staff and many representatives from local charities held a party at The Recycling Shop. During the past twelve months:

- The Shop has grown more than ten fold
- Thousands of household items and furniture have been recycled
- Thousands of pounds has been donated to 34 different charities

Tony Chipperfield (Manager) told everyone how the business

has evolved from its very humble beginnings at home to where it is today; how the customers vary from those who have little to spend to those who are just looking for that special bargain. He explained how he wants to build on the good relationships The Recycling Shop has already achieved with charities and for the money raised to remain at local level so that charities locally will feel the benefit. The charities, in their turn, expressed the value they place on being able to sell their larger items of furniture through the Shop, when they have insufficient display space, as well as their delight at receiving regular donations.

The following charities were represented:

Honiton Methodist Church, SW Children's Hospice, Force Charity, Devon Air Ambulance, RNLI, Eif, Cancer Research UK, Shelterbox, Cystic Fibrosis, Salvation Army, Riding for the Disabled, NSPCC/Childline, Shute Primary School.

They were all given birthday cake, a glass of something and a surprise cheque for £100 as a thank you for attending.

Many thanks to all our customers for their support throughout this year. Please keep coming again and again so that we can continue recycling and giving to worthy causes.

If you have any unwanted usable household items you would like to Recycle and would also like to help raise money for Charity then please call The Recycling Shop on 0140 4831264

BESTS of HONITON

Join us to celebrate 40 years of service to our customers

BESTS of Honiton was established by Steve Best in August 1969, the year that saw the first man on the moon and Lulu shared winning the Euro Vision song contest.

Rob Curry worked for Steve for several years before he and Pauline his wife purchased the business from Steve in 1989, the business has grown with nine members of staff ready to be of service.

The store, one of the biggest on the high street was extended upwards in 2000. It

now houses a large range of goods for the home including carpets, vinyls, beds, mattresses, dining and bedroom furniture, rugs, chairs recliners and suites, many from leading British manufacturers who we aim to support.

The majority of our work is within a 25 mile radius and as a result of recommendations, however we have supplied goods for Jersey, France, Portugal and Holland.

Being part of one the largest buying groups allows us to offer a great combination, the

buying power that allows us to price competitively but the service levels you would expect from an independent retailer. To mark our 40th anniversary we are inviting past and present customers into the store for a celebration drink and nibbles on Wednesday 26th August 2009 from 12pm to 4pm. In addition for a two week period week commencing Monday 17th August we are giving 10% discount on carpets, beds, suites, furniture and rugs.

IF you could ask God one question, what would it be?

I guess that we would all have many questions, and some would even want to ask, "Does God even exist?" The Alpha Course is the perfect place for asking such questions, to chat with others and not feel you are going to be told the answers. It explores the claims of Jesus and the Bible over 10 sessions, in a friendly, non-threatening way.

Over two million people have been on an Alpha Course in the UK, and many have benefited greatly from it. Now the Alpha Course is coming to a town near you. Axminster Churches Together is hosting Alpha in Axminster on Thursday evenings from September 10th at the Axminster Christian Fellowship. Anyone wishing to attend should contact course leader Darrell Holmes on 07837 447025 or email pastordarrell@xalt.co.uk. There is no charge at all and you are free to come and try it out with no obligation to attend the whole course.

Axminster Parish Church also announces the start of a new toddlers' group next month. The first meeting will be on Sunday, September 20th at 10.20am in the Church Room. For more details contact 01297 32500.

Other events restarting in September, on the afternoon of Wednesday 16th in fact, are the popular tea dances hosted by the Friends of St Andrew's Church, Colyton, which take place in Colyton Town Hall. For more information contact 01297 551013.

This week, on Thursday, August 27th, it is the turn of Ottery St Mary Church to host concert of choral music, in support of Hospiscare.

The current series of Sunday afternoon concerts at Colyton's church ends on August 30th at 3.30pm. These concerts have been in aid the Choir Bursary Fund, and cream teas are available afterwards.

Staying in the east of the area, there is news this week of a new "green" toilet being blessed by the Bishop of Crediton at Escot (in the Ottery Benefice) to provide facilities for this small church which is situated in the middle of a field, without mains water or drains. This toilet is environmentally friendly and requires no running water or plumbing — it relies on gravity to take away the liquids and solids break down naturally with little or no odour. There are other such lavatories in Devon and other parishes similarly placed are now considering them.

This column frequently reflects on the connection between the churches and local communities and this week is no exception.

First comes news of the rededication of the Axminster War Memorial following the engraving of existing names from the Second World War on a new stone in a more prominent position. The rededication was performed by the Venerable Frank Johnston, former Chaplain General to the Army, in the presence of members of the Axminster Branch of the Royal British Legion, who raised the money for the new stone and engravings, together with Axminster's mayor and other citizens.

Another joint local event held successfully, in sunshine, was the Annual Fair at Southleigh which raises funds annually for the village, the local church and a chosen

charity.

A further special event which does not come round so regularly, is the beginning of the year of celebrating 100 Years of the Girl Guide Movement. This had an unexpected beginning because Robert Baden-Powell (Chief Scout) had no plans for a female equivalent in the Movement, but as soon as the contribution of the ladies was recognised he changed his views!

There will be celebrations throughout the year in the Axe Valley and elsewhere, and all Guides will join in remaking their promise on October 20th 2010 at 8.10pm. In the meantime locally the year is being launched at Musbury Church on Sunday, September 6th at 10am with a special service which will be addressed by Mary Jones, the local Commissioner.

Two other regular dates in church calendars follow in September and October. September is by tradition carnival month in east Devon and details will be appearing shortly; most programmes include local church involvement and most popular are the Carnival Songs of Praise services and the processions with opportunity for imagination and ingenuity; look out for posters and notices at the local churches.

Following closely on carnivals, churches will be celebrating harvest festivals. The first of these in the Colyton Benefice Churches is at St Andrew's, Colyton, where there is to be a hot harvest supper, sweet and coffee or tea, followed by entertainment on Saturday, September 26th. Harvest Thanksgiving is on September 27th at 11am, and on Monday there will be a sale of produce in St Andrew's Church.

Seaton Carnival Week 2009

Friday August 28th-Saturday September 5th

Seaton Carnival week starts this Friday and is set to be a fantastic week full of entertainment events, activities and competitions.

Seaton's 2009 illuminated carnival procession takes place on Saturday 5th, and starts at 8pm on the Esplanade. Seaton carnival is traditionally the first carnival in the East Devon circuit and attracts floats and entries from not only East Devon but also across Devon, Dorset and Somerset. Each year thousands of people come to see the evening event, which features bands, majorettes and over fifty colourful floats.

Please Note the streets to be closed for procession night are:

Fisherman's Gap to Beach Road 8am - 10pm,

The Esplanade, Beach Road, Trevelyan Road, Riverside Way, 12 noon - 10pm

Harbour Road, The Underfleet, Fore Street, Marine Place, 7.30pm - 10pm

Collectors are still required for procession night and collecting tins will be available from Carpet Right 6.30pm on September 5th.

MESSAGE FROM PRESIDENT: The Carnival season is here once again; it is my first year as President of the Seaton Carnival committee and I hope the carnival this year will be as successful as in previous years. Seaton Carnival is the first in the circuit and I do hope that the fine weather continues so that all the floats will be ready in plenty of time. We have a very hard working committee who organise all the events to make the carnival week a very enjoyable time for everyone, so please come along and support all the events throughout the week.

Seaton Carnival Week 2009

A letter from the chairman

Welcome to Seaton carnival week. My passion for carnival burns as brightly as ever, even as a lad I was interested in seeing all the hard work that went into putting all these carnival floats together.

Seaton has a long history of successful carnivals. As chairman it helps to have a dedicated team behind me and a strong committee, who meet all year round to make Seaton such a success.

The feedback from last year's carnival was very positive. A lovely fine day brought a large crowd out to join the fun. This is a show for the whole family to enjoy.

Let us hope for a repeat of last year's success.

Fred Paulley

Procession Committee

HOW time flies, this year will be 44 years since the first Seaton Carnival. Despite the recession we are still going strong, and with all your help we can keep going for another 44 years, although I would think that the members of the committee will have changed a little by then.

Over the years the weather has been kind to us. There have been exceptions, like the year we had to abandon the procession because of the torrential rain, which made the floats slip whilst coming down Sea Hill.

We are always in need of "new blood" so if you feel you could give a few hours to help Carnival week, we would be extremely grateful. We do hope you enjoy this year's procession.

We would like to thank everybody involved in the organisation of this year's carnival, to all the traders who have supported the carnival week and to Sophie's Trinket Box for donating the material for the Carnival Queen's float.

*From the Procession Committee,
June Millman, Roger Broom, Kevin Frost,
Hilda and Dennis Morgan.*

Thirty years in business marked by launch of new solar energy system

Climax continues to make homes better and more efficient

WHEN Max Williams founded Climax over thirty years ago, he promised his customers superior products backed by a promise of the very best personal service with a reliable after sales support where problems would be resolved quickly and without fuss. In a word: Quality. It was a commitment from the word go which quickly earned Max a reputation for getting the job done properly. This promise of quality still holds good and has become the maxim of the very well known and respected local business we know today.

In those early days it was aluminium framed double glazed windows that were all the rage, and Max and his partner of the time worked from home before the Company moved in 1987 to its current premises in Axminster. Aluminium framed windows still have a place in the firm's offerings of course, but from those relatively modest beginnings a comprehensive range of many other high calibre home improvement products has been developed and marketed across the South West from the Climax head office in Castle Hill. Indeed, the Company has grown to play a significant role in the business scene of Axminster.

This firmly established reputation for value and quality continues to be built not only by an ever increasing number of satisfied new buyers, but also on recommendations from existing customers who already account for a substantial amount of repeat business. It is ample evidence that everyone in the team at Climax is still keeping the assurances given by Max all those years ago.

It is not just people across the South West who find solutions to their home improvement

needs either. At Interbuild, the principal trade exhibition for the building industry held in Birmingham, it was Climax who were chosen from installers across the country to equip the featured 'Eco' house with a Mustang continuous guttering system as a professional demonstration of how it should be done. The Mustang system is virtually permanent, and was deemed to be an excellent illustration of how to respond effectively to environmental demands and reduction of long term waste problems, not to mention promoting awareness of design and visual appeal.

In fact it's true to say that Climax aim to make certain that all the products they offer are not only environmentally responsible, but also look good too. As prime examples take a look at the latest 'A' rated energy windows; options of Pilkington 'energiKare' active self cleaning glass; BS6206 class 'A' toughened glass; or the Sarnafil flat roofing system - the only one in the world to be BBA certified for an incredible life of forty years.

Everything Climax offers is the best of its kind on the market, and the management team is always on the look out for the latest products and developments - just so long as they offer additional benefits for the customer at competitive cost. Surprisingly perhaps, given today's emphasis on the need to save energy costs and meeting requirements of environmental concerns, 'A' rated windows are still not universally available even though they are recognised as giving huge improvements in thermal efficiency and unrivalled insulation from the worst of weather.

Another instance of ingenuity is the idea of

'one key fits all' where a system of locks is installed on doors throughout the house enabling them all be opened by the same key. It can be installed either in new doors or, subject to existing lock construction, retrospectively. Brilliant!

Understanding what are the really important issues for customers has resulted in a wealth of knowledge and expertise. It empowers Climax to meet diverse requirements and technical challenges of many special situations. And this is where the skills of a highly experienced team of fitters and builders come into play. All are knowledgeable, permanent long term employees dedicated to first rate standards of craftsmanship and committed to being both dependable and trustworthy.

Work is carried out to the stringent FENSA standards, there are BBA approvals on products, and a ten year guarantee underwritten by independent Insurance.

Additional reassurance for customers comes from the long term working partnerships with leading manufacturers who have only entrusted Climax to install their products after rigorous examination and evaluation of quality standards.

The latest innovation from the company is the introduction of a beautifully engineered high performance solar powered domestic hot water system.

After thorough research and meticulous attention to detail, the team at Climax identified Calpak VTN Evacuated Tube Collector units as being the best system on the market. It has been developed specifically for the UK and can be efficiently installed by fully trained fitters with virtually no disruption. Its brilliant design makes it totally compatible with any existing hot water

set up, and promises annual cost savings of up to 70% on conventional heating methods. And with ever increasing energy costs, future cash savings are bound to become even more significant!

The installation is maintenance free (apart from a routine anti-freeze fluid check recommended every four years) and if a tube ever gets damaged it can easily be replaced without draining the system. A ten year unconditional guarantee highlights the confidence Climax has in the quality of the product. If it should ever malfunction in any way because of a manufacturing fault, Climax will fix it for free!

The launch of such an advanced solar hot water heating system gives a double reason for celebration coinciding as it does with the Company's thirtieth anniversary. Customers can see a working installation for themselves at the Castle Hill offices in Axminster.

If all this isn't enough to underline a proven commitment to excellence, Climax now has official approval within the latest 'TrustMark' scheme which aims to let customers know that standards set by this important Government backed initiative are being met.

Take a look at the home improvement ideas offered by Climax. You'll find some of them fascinating and maybe even surprising. Climax is no longer just a window company. And when you are ready to talk about ideas, you'll find the team ready and waiting to give you all the help and information you want.

You can telephone free on 0800 716 363 or take a few minutes to browse through the pages of our comprehensive website www.climaxwindows.co.uk

The new Climax solar powered domestic hot water system is designed to save you money right through the year. You'll save even during the winter months thanks to the technology in our latest Evacuated Tube Collectors which are unaffected by wind chill or ambient air temperatures, and continue to absorb solar energy on cold or dull days. This heat from free sunlight means you could be paying less than half the cost of using conventional water heating - and with rocketing energy prices, future cash savings are bound to become even more significant!

Solidly engineered for high performance and a long life, the Climax system has been developed specifically for the UK. Brilliant design makes the system totally compatible with any existing hot water set up and can be installed by our fully trained fitters with virtually no disruption.

There are many other benefits of switching to solar power. A solar energy system will add value to a property and improve its HIP energy score. Your carbon footprint will be much lower, and solar hot water is environmentally friendly and doesn't release harmful carbon dioxide or other pollutants.

A ten year unconditional guarantee highlights the confidence Climax has in the quality of the system.

Sunday, August 30th

- COMPANION DOG SHOW - At playing field, judging 2pm prompt, both pedigree and fun classes
- SONGS OF PRAISE - 6.30pm at village Church
- FAMILY QUIZ NIGHT - 8pm at the Old Inn

AS Bank Holiday Monday draws closer the final preparations are being made to the Annual Hawkchurch Village Fete Weekend.

The highlight of the village calendar, this year's fete promises to be a great day out for all the family.

With a jam-packed programme of events taking place not only on fete day itself, but during the week in the run up to fete day and throughout the weekend, you are guaranteed to have a great bank holiday weekend in Hawkchurch.

The week kicks off on Tuesday, August 25th with a family bingo at the village hall. Eyes

down at 7.30pm.

From Wednesday, August 26th through to Saturday, August 29th, the Old Inn, Hawkchurch will be playing host to a skittle competition.

From 7pm each night you can try your hand a skittles and have a throw or two. All spares will go into the throw off on Saturday night with cash prizes.

Friday, August 28th will see a fun family rounders match in the village. Simply turn up at 6pm for team selection and enjoy a traditional game of rounders, followed by a BBQ, where children eat free, and live music at the Old Inn Hawkchurch.

The match will start at

6.30pm at the village playing field with food from 8pm at the pub.

Saturday, August 29th will see the return of the Teddy Bear's Picnic and Parachute Jump. This event made its debut in 2007 and is back by popular demand.

The teddy bear's picnic will see a whole host of free fun activities for children and big kids alike including games and art and craft activities.

The main event of the afternoon of course will be the teddy bear parachute jump from St John the Baptist Church Tower.

Children under 16 are invited to make a parachute for their teddy bears and prizes will be awarded for best decorated parachute. (Please note that parachutes not made to the organiser's instructions will not be eligible to enter). For parachute design instructions contact Meeri Wallace (01297) 678538.

Events start at 12noon on Saturday, August 29th, so why not go along, take a picnic and

join in the fun.

A popular family event in the village for the past 14 years, the Hawkchurch Companion Dog Show, will once again be taking place on Sunday, August 30th at the village playing field.

Everybody is welcome to attend with classes for pedigree and non pedigree dogs, there is something for everyone.

To find out if your dog has the waggiest tail or the most appealing eyes, be there for 2pm when judging starts.

For a schedule of classes, contact Christine Bright (01297) 678498.

Following the dog show will be a Songs of Praise service at St John the Baptist Church at 6.30pm. For more information contact Jean Ransford on (01297) 678285.

Also taking place on Sunday evening will be a quiz night at the Old Inn.

With general knowledge, picture, trivia and music rounds, there is something to satisfy any quiz buff, kicking off at 8pm.

The highlight of the weekend, the annual Hawkchurch village fete,

will take place on bank holiday Monday, August 31st.

Kicking off events will be the Blackdown Hills Steel Band. After the church bells have rung at 1.45pm the fete will be officially opened by Hawkchurch's very own centenarian Jill Bennett.

Entertainment will be provided throughout the afternoon in the main ring with performances from the Chard Goldstar Majorettes and Blackdown Hills Steel Band. Also appearing in the ring will be Cotley Hounds and Magic Carl with his traditional Punch and Judy Show.

As well as the main ring entertainment there will be a whole host of stalls, games and side shows including bouncy castle, coconut shy, crazy golf, boules and much more.

Cream teas, cakes, ice creams and licensed bar will be available all day as well as BBQ and local food.

So why not go along and join in all the fun for a great family bank holiday weekend in Hawkchurch.

PROPERTIES OF THE WEEK

SOUTH CHARD - £950 PCM

CHAMPIONHOLMES is pleased to offer a four bedroom detached house located on the edge of South Chard.

The front door leads into the Entrance Hall, which retains its original tiled flooring. Off the hall can be found two receptions, each with bay windows and electric coal effect fires. Reception two leads through to the Scullery / Dining room. Further doors lead to the Walk in Larder and Rear Hall.

The Rear Hall has a storage cupboard under the stairs. Doors off to the Laundry Room, and the Kitchen, which has fitted wall and base units.

The staircase from the entrance hall leads to the first floor Landing, with doors off to Bedroom one, a double with views across the sur-

rounding countryside: the bathroom with shower facility and large airing cupboard: Bedroom two, a large double with a built-in cupboard and bay window, overlooking the front garden and surrounding area. Similar views are afforded from bedroom three/boxroom, and bedroom four, again a large double with bay window.

Outside to the front the enclosed garden is laid mainly to lawn whilst the gated driveway gives ample off-road parking and leads to the garage. To the rear is an enclosed raised terrace leading down to the garden, again laid mainly to lawn.

AXMINSTER - £520 PCM

HARRIS Lets are pleased to present to the market this recently converted 2 bedroomed first floor flat. With two double bedrooms this property would be ideal for a couple or working professionals. On entering the property there is a long hallway leading to stairs that is ideal for storage.

The property still has mostly original stripped pine doors and feature pine bannisters but has been sympathetically updated throughout the rest of the property. There is a large bathroom with both shower and bath and also a newly fitted kitchen with space for a table for two. All of these features along with the good sized lounge make this property worth seeing.

For further information, or to book a viewing of this property please contact us direct on 01297 630933 or email info@harrislets.co.uk

The new Climax solar powered domestic hot water system is designed to save you money right through the year. You'll save even during the winter months thanks to the technology in our latest Evacuated Tube Collectors which are unaffected by wind chill or ambient air temperatures, and continue to absorb solar energy on cold or dull days. This heat from free sunlight means you could be paying less than half the cost of using conventional water heating - and with rocketing energy prices, future cash savings are bound to become even more significant!

Mortgage customers snap up exclusive products in Devon through Fulfords

An exclusive mortgage product available through Fulfords offices that is designed to help first time buyers onto the property market has become one of the most popular mortgage products for the UK's largest mortgage broker, Countrywide Mortgage Services (CMS).

As mortgage approvals continue to rise across the UK, the demand for fixed rate mortgage products is high and CMS launched two exclusive mortgage products in July for first time buyers and remortgage customers sold through a network of 800 Mortgage Consultants. On the day of launch both products became one of the Most Sourced Products for CMS and this trend looks set to continue in August.

Both products were designed to either help people access the property ladder or assist in the remortgage of a property, which are available through a team of Mortgage Consultants based throughout Fulfords 27 offices in Devon.

Most popular exclusive deals:

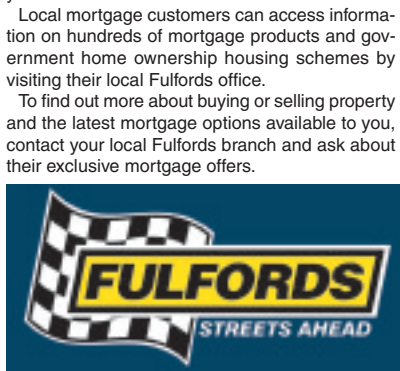

- **First Time Buyers:** First time buyers have the opportunity to apply for an exclusive product which requires a 10% deposit. Unlike many mortgage products, this exclusive deal has no arrangement fee and includes a £500 cash back incentive*, which significantly reduces the cost of buying a home.

- **Remortgage customers:** Local homeowners looking to remortgage amid concerns of rising interest rates can opt for an exclusive deal available through Fulfords. This mortgage product offers a fixed rate to protect customers against future interest rate rises, which includes a £500 cashback incentive* and a free valuation.

*The cash back offer is available for a limited time period and provides an opportunity for customers to save, furnish their new home or settle other costs in the home buying process, like surveyor fees and legal costs.

Commenting on the local property market, Chris Petvin-Thomas, Financial Services Director, Fulfords, said: "As demand for property in Devon continues to rise and buyer confidence grows with news that property prices are showing signs of stabilising, Fulfords has been overwhelmed with interest. "Many first time buyers in this market struggle with obtaining mortgage finance as there are limited mortgage products available for buyers with small deposits. We have seen a high number of first time buyers snap up the exclusive product and we're seeing more options become available to local home movers and landlords looking to invest in property. Our advice is to move quickly as the best mortgage products are often available for limited periods." Fulfords has a team of professional CMS Mortgage Consultants ready to help you.

Local mortgage customers can access information on hundreds of mortgage products and government home ownership housing schemes by visiting their local Fulfords office. To find out more about buying or selling property and the latest mortgage options available to you, contact your local Fulfords branch and ask about their exclusive mortgage offers.

High Demand Develops for Plots and Sites

Philip Taverner of Fulfords specialist Land & Planning Department reports a significant increase in market activity over the past few months with several sites sold and many sales agreed.

He continued "We are receiving instructions to market new sites and single plots, and, where the instructions are priced correctly, we are experiencing very strong interest. With more confidence in the market from developers and purchasers looking to invest in property rather than place their money in low interest bank accounts, this has in some instances led to interest being such that best and final offers have been sought in order to achieve the best possible outcome for our clients and, in some cases, this has resulted in sales being agreed in excess of the guide prices."

It is currently proving truly difficult to satisfy

these high levels of demand and therefore should you be an owner of a single building plot, barn for conversion or residential development site, then Fulfords Land & Planning are keen to hear from you. For further information on the services available please contact Philip on 01392 813300 or e-mail ptaverner@fulfords.co.uk

Sole Land Agent Plots to Show off

FOR the second year in succession Fulfords Specialist Land & Planning Services will be the only Land Agent appearing at the Self-Build and Design Show at Westpoint Arena over the weekend of 12th and 13th September. Philip Taverner of Fulfords commented "we exhibited at the Show last year which proved to be a great success and with the significant increase in market activity over the past few months we are anticipating even higher levels of interest this year."

Building plots and barn conversions for sale with Fulfords Land & Planning Services will be exhibited at the show and anyone currently considering selling either land or a barn for conversion is urged to contact Philip on 01392 813300 or at ptaverner@fulfords.co.uk in order not to miss this once a year opportunity to reach a wide audience of active purchasers.

Due to their association with Self-Build and Design, Fulfords Land & Planning Services have a limited number of free tickets available for the

Show and anyone interested in attending should contact Philip on 01392 813300.

A fine detached farmhouse with flexible accommodation

Southcote Farm enjoys a delightful rural location, effectively at the end of a no through country lane in a favoured part of East Devon about 4 miles from the market town of Honiton. Honiton provides a good range of day to day amenities, schooling and recreational facilities along with a railway station on the London Waterloo line. About 20 miles to the West is the cathedral and University City of Exeter whilst the country and market town of Taunton is about 18 miles to the north. The farm is set most attractive countryside of primarily undulating farmland interspersed with woodland and there are various bridleways in the locality to take advantage of. The south coast is within a reasonable drive whilst there are a variety of sporting pursuits available in the locality, within season.

The farmhouse, which faces south, is set centrally within the farm at the end of the tarmac portion of a no through country road and pleasant views are enjoyed from the house, particularly from the first floor. The house probably dates from the Victorian era and is principally of stone elevations, part with brick, under slate roof and offers spacious accommodation. A portion of the house has been adapted to provide a self-contained cottage at the rear, though could be re-incorporated to create a more substantial house. Leading from the main front porch is a flag stone hallway. The farmhouse kitchen is a well proportioned double aspect room with good ceiling height, fitted timber units and Oil fired Rayburn for cooking and domestic water. The main sitting room with open fireplace, leads through to the dining room with double doors leading out onto the lawned garden area to the west. Further ground floor accommodation includes utility room and downstairs WC. The adjoining ground floor Cottage accommodation includes kitchen/dining room with Rayburn, large sitting room with inglenook fireplace, utility room leading out to courtyard, Study and an upstairs bathroom and bedroom. The main farmhouse has a total of seven good size bedrooms. The family bathroom is fitted with a white suite comprising of shower over bath, sink and WC.

Southcote Farm has an array of outbuildings mainly situated to the East of the property. A range of traditional and modern buildings around the courtyard includes a block of 5 stables, main stone barn, parlour and dairy, stone loose box and former stone stable and barn. More modern farming buildings continue beyond to include a covered yard, cubicle house, and covered feed area, all of which can be adapted for equestrian use. There is an all weather surface for schooling horses and to the west of the property there is a large modern corrugated open front barn.

The Land at Southcote Farm amounts to approximately 55 acres in total offered in two lots. Lot 1 to the East and North of the main Farmhouse totalling just over 33 acres, Lot 2 to the South of the property on the other side of the lane opposite the Farmhouse totalling just over 20 acres. The auction is on the 1st October. Auction Guide £900,000 (as a whole), also available as 2 different land lots. Viewing is strictly by appointment through the sole agents Stags on 01404 45885.

240 LOCAL ARTISTS TO EXHIBIT DURING DEVON OPEN STUDIOS EVENT

DEVON Open Studios is the flagship project of Devon Artist Network and the largest event of its kind in the county. It is one of the highlights of Devon's cultural calendar and runs over 16

days each September attracting many thousands of visitors from across the South West and beyond.

The 2009 event will run from September 5th to 20th, with over 240

artists showing work in 111 venues.

The range of work on show is fantastic encompassing painting, drawing, printmaking, sculpture, ceramics, photography, textiles, jewellery, collage, works in glass, metal, wood and paper, furniture making, installations and a variety of work

utilising new media. Unlike traditional galleries there is no commission on sales and all the money goes directly to the artists who made it. In 2008 over £139,000 worth of work was sold - a considerable contribution to the local economy.

A full colour guide detailing all the venues is

now available from galleries, libraries, Tourist Information Centres and arts venues. If you would like to receive a guide for Devon Open Studios 2009 or would like more details on the event, please contact Linda Hajdukiewicz the open studios coordinator on 01271 861 608, 07768 164 560 or email openstudios@devonartistnetwork.co.uk. Details of how to find the studios

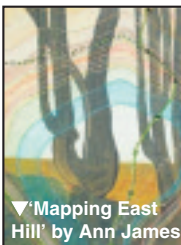

can be found on the DOS Exhibitors page of the website www.devonartistnetwork.co.uk.

The Great Dorset Steam Fair 2009

AS the largest steam gathering in the World you may think you know The Great Dorset Steam Fair and what the show has to offer, however there is a new and exciting area of development throughout the show!

The show is situated on 600 acres of farmland in the heart of Dorset's beautiful countryside. Further directions are superfluous, just find the village of Tarrant Hinton, near Blandford and follow the trend!

2009 sees the 41st show and the growth of its newest section the concert pavilion and outdoor stage area. Presenting modern entertainment styles with this expanding concert extravaganza! With acts such as The Wurzels, The Bohemians, Planet Abba, Ultimate Madness and Too Rex to name just a few of the confirmed performers! It promises to be a fantastically fun five night festival in unforgettable surroundings. Nowhere else will you find so many elements working together to make your visit to the show ignite all senses and get you hooked for life!

This entertainment evolution sits in the hub of the large music marquees, each with their own artistic programmes, style, atmosphere and stocked with national plus local ales and beers. Come join the exhibitors and show characters and party 'Dorset Style!'

From small beginnings this annual event has

become the largest event of its kind on the planet! Demonstrating and educating on bygone years and life changing inventions that shaped our world today!

The show is fast becoming the leading heritage event, rightfully titled THE National Heritage Show and is recognised as one of Europe's

largest outdoor shows.

Each year the organisers assemble possibly the largest collection of steam and vintage equipment for visitors to enjoy.

The sheer scale of the show means guaranteed value for money with this giant living breathing museum where old meets new and where there

is something different around every corner.

The show can bring dormant memories to life, reignite interests and hobbies or even start whole new ones. This event showcases our National Industrial, Agricultural and Leisure Heritage with hundreds of working displays bringing history to life to inspire and educate every generation.

The passion and enthusiasm of exhibitors inspire visitors, and new hobbies and friends are made every year. Every inch of the site sings to the same tune of entertaining!

Every year the show continues to attract new ideas catering for different tastes, trends and ages averaging 210,000 visitors per year.

Whether it's the past or the present the show has something for everyone from steam giants, vintage vehicles, country side trades and crafts to the adrenaline rides of the largest travelling modern fair ground in the country complete with a log flume, spinning roller coaster, reverse bungee and drop tower, or for the more restrained a ride on the giant big wheel or a visit to the steam driven funfair. Day or night we have your expectations covered!

The Great Dorset Steam Fair, 'The National Heritage Show' is a blend of nostalgia and entertainment. Come and experience this unique festival of culture, whether for a day or taking the full five day holiday and camp on site.

An amazing fun and action packed day out for all the family!

PAINLESS PILATES IS BACK!

Classes run from September to December

FRAN Robinson of Painless Pilates is pleased to be able to offer classes throughout September, October, November and December. Fran has a lot of new exercises for this term, but for those of you

who have already taken part in one of Fran's classes, she hasn't forgotten the old favorites. Fran's classes are different to most Pilates classes. They usually last around 1 1/2 hours and include

a proper relaxation which puts the muscles in a good state for the exercises. Students with back or other physical problems are especially catered for. The classes are also suitable for beginners

and improvers. If you are interested in a Pilates class in a friendly, relaxing atmosphere, in a warm, carpeted venue with easy parking then call Fran on 01297 678168.

CONDITIONS OF ACCEPTANCE

1. Orders for Advertisements are accepted subject to the provisions of the British Code of Advertising Practice and any statutes in force at the time of publication.
2. The Publisher shall not be liable for any loss or damage occasioned by any total or partial failure, however caused, of distribution of any newspaper or edition in which any advertisement is scheduled to appear.
3. In the event of an error, misprint or omission in the printing of the advertisement the Publisher will either re-insert the advertisement or relevant part of the advertisement as the case may be or make a reasonable refund or adjustment to the cost. No re-insertion, refund or adjustment will be made where an error, misprint or omission does not materially detract from the advertisement. In no circumstances shall the total liability of the Publisher for any error, misprint or omission exceed the amount of a full refund of any price paid to the pub-

lisher for the particular advertisement in connection with which liability arose or the cost of a further corrective advertisement of a type and standard reasonably compatible to that with which liability arose.
4. The right is reserved to refuse to accept or to continue the insertion of any advertisement, even though accepted and paid for, at the discretion of the Advertisement Manager.
5. The Publisher reserves the right in exceptional circumstances and at the Publisher's discretion to release names and addresses of advertisers to appropriate authorities, including but not limited to, Police, Trading Standards and Tax officials.
6. No responsibility is accepted for damage to or loss of artwork, photographs or other original material.
7. The Publisher will endeavour to set copy as ordered but the right is reserved to alter advertisements to conform with the Publisher's standards.

8. Whilst every attempt will be made to forward replies to box numbers no liability can be accepted in respect of any loss or damage alleged to arise through delay in forwarding such replies, however caused. Readers are advised not to enclose original documents or anything of value with replies to box number advertisements.
9. The classification under which advertisements appear is entirely at the discretion of the Publisher.
10. It is the responsibility of the advertiser to ensure that the first insertion of a series of advertisements is correct. The Publisher does not accept responsibility for any advertisement published and printed incorrectly after the initial insertion unless corrected by the advertiser.
11. Tear sheets will be provided, on request, as proof of insertion. Full voucher copies will not normally be sent.
12. Minimum advertisement size is 3cm x 1 column.

13. All advertising copy to be received by 12 noon on Fridays with the exception of Jobs which can be accepted up to 11am on Mondays.
14. Cancellation: No advertisement shall be cancelled after the above deadlines. Cancellations must be confirmed in writing.
15. In the event that copy instructions are not received by the published deadline the Publisher reserves the right to repeat copy last used and charge for the space as booked.
16. Payment of monthly accounts is due 30 days from the date of invoice. The Publisher reserves the right to charge interest at 3% per month per annum compound above bank base rate from the due date of payment.
17. The placing of an order for the insertion of an advertisement shall amount to acceptance of the above conditions. Any conditions stipulated by an agency or an advertiser shall be void in so far as they are in conflict with them.

Used car buyers queue up for quality

AUTOQUAKE.COM, the UK's largest online used car retailer, has revealed BMW is the nation's most sought after used car brand.

In the 'second chance' section of the website, visitors to Autoquake.com can register their interest in a used car which has already been reserved by another buyer, in case it becomes available again. A staggering 220 potential buyers asked to be emailed if one BMW 318i came back on the market, more than any other model.

The website also has a 'coming soon' page, where shop-

pers can ask for email alerts on cars which will shortly be in stock. Again, BMW tops the charts. One particular used BMW 118d M Sport had a queue of 145 buyers waiting before it was even on sale.

Plenty of other prestige cars have attracted lots of interest, and not just those with a BMW badge. 108 car buyers asked to be contacted if one Range Rover came back on the market. 95 buyers requested an email if a reserved Volvo XC90 became available again.

Quality mainstream cars are also popular with Autoquake.com visitors. An

amazing 180 buyers waited to find out if a Vauxhall Zafira 1.8i buyer changed their mind. Almost 140 shoppers asked to be told if a Mazda 5 2.0D became available again.

Fredrik Skantze, Autoquake.com's CMO and co-founder, said: 'There's a shortage of quality used cars at the moment, so it's no wonder buyers are queuing up to buy the most popular models.'

'At Autoquake.com there's a constantly changing stock of nearly 1000 cars, so if we don't have the car a buyer is looking for right now, there's a good chance we will soon.'

WESTCOUNTRY JAGUAR

Independent Jaguar & Daimler Specialist

Tel: 01404 891999

Passionate about Jaguars for over 39 years

With 39 years of experience looking after Jaguars, Derek Lee has brought his skill and passion to Dunkeswell. Derek provides the ultimate care in Jaguar repair and maintenance at a competitive price on a one to one basis.

Derek has been based in London where in 1976 he left his employment with a Jaguar main dealer agent to become one of the founding partners in Leeborn - a family based business, which even then was centred around Jaguars. Having become the business's driving force, and developed it into a highly respected Jaguar and Daimler sales and service centre, the company then moved to new purpose - designed, fully equipped premises and renamed the company D.A. Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers was simply the best.

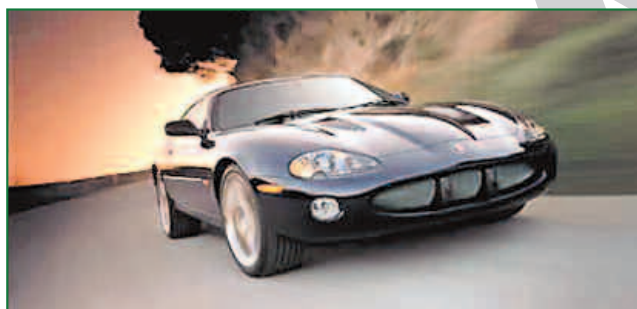

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races than he can remember and three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so that they were always in peak condition and absolutely reliable, he then added his own determination and drive. He is using that same formula to provide Jaguar and Daimler owners with the best independent maintenance and repair facility in the area.

Derek has looked after many customers from all parts of the globe - from all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the brand new premises in Dunkeswell, like a Series II V12 Coupe which Derek has looked after for 32 years. Some of Derek's old London based customers having moved to the West Country, and after learning Derek is based in Dunkeswell, are coming back to re-establish service on their Jaguars.

Derek has the latest and best equipment money can buy in his workshop. From the computerised engine diagnostic and tuning unit to an air-conditioning maintenance machine, which also cares for the environment - no refrigerant is released into the atmosphere.

D.A. Lee is fully equipped to carry out all maintenance and repair work on Jaguar or Daimler cars. D.A. Lee offers the best independent and personal Jaguar service with all work being carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade Oils. Regular reports keep you in touch with your car's progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. Whatever your Jaguar needs, D.A. Lee is able to provide a service second to none.

Call Derek Lee now on 01404 891999 "Your one to one personal Jaguar emergency service".

CUSTOMER TESTIMONIALS

Hi Derek,

Just to say thank you for the recent work carried out on my Jag. Everything is perfect and as I was so impressed with your service I will, without hesitation, use you again and will also recommend you to others.

R&P, Axminster

.....
Thank you for servicing the X type. Moving to another garage is always a risk, but I just wanted to say how impressed I was with the whole experience of moving away from a main dealer to you. From the very first phone call to getting the car back was fantastic, a level of service that one really only dreams of these days, certainly five star plus.

And to top it all, the cost of the service was realistic with no nasty surprises or unexpected expenses attached. It was a true pleasure to deal with a craftsman who knows his trade and is passionate about Jaguars. Thank you.

M.K. Honiton

.....
Dear Derek Lee,

I write formally to put on record the excellent work done for maintenance and overhaul of my S Type Jaguar. The car feels like new again and is a pleasure to drive.

I cannot speak highly enough of the cleanliness and order, both of your workshops, and of my car when returned. All the work was of a very high standard and was carried out with the manufacturers spare parts and at substantially lower charges than at a main dealer.

I would not hesitate to recommend your work to other owners.

T.McC, Wick, Honiton

.....
Dear Derek,

I was delighted with all aspects of the service I received from Derek Lee at West Country Jaguar. Derek's in-depth knowledge of all things Jaguar and his speedy and expert diagnosis of the problem I had with my X-Type left me a very, very satisfied customer indeed. This was in contrast to a number of visits to various Jaguar main dealers which have left me often frustrated and occasionally less than happy with the service I received. On return, my car was valeted to a high standard and has since been running beautifully. What more can you ask! All my own words!

Leon Cupra R: Seat's hottest ever hot Hatch is here!

SEAT is preparing to unveil its most potent model to date with next month's Frankfurt Motor Show debut of the awesome new Leon Cupra R.

The influential German show, opening to the public on 17 September, will see the official debut of the SEAT Leon fleet's stunning new flagship which boasts a brutally powerful 265 PS 2.0 TSI turbocharged petrol engine.

Instantly becoming the most muscular production model ever to wear the trademark SEAT 'S', the forthcoming Leon Cupra R matches the power output of the title-winning

SEAT Leon TDI World Touring Car.

Naturally, the new Leon's 265 PS direct injection 2.0 TSI engine is the star of the show boasting not only tremendous power, but also easy torque transmission and remarkable flexibility. Among the four cylinder 16V unit's key features is a new, high-pressure fuel pump injector to satisfy its greater performance demands while also allowing it to fully comply with strict EU5 emissions standards.

Transmitting that urge to its driven front wheels, the Cupra R is capable of prodigious performance. The zero to 62 mph time, for instance, is a formidable 6.1 seconds, while the top speed of 155 mph is comfortably adequate. All this, and yet the new SEAT's combined fuel consumption figure is put at just a shade under 35 mpg.

Inside and out, the exclusive nature of the Spanish maker's new model is obvious to the enthusiast thanks to the dis-

tinctive letter 'R' on the central grille and at the lower right of the hatch. The all-important initial also appears inside, on the right instrument dial and the remote control key. Meanwhile, the exclusive Cupra logo graces the front bumper, the centre of the hatch and, inside, the steering wheel and seat backrests.

Further distinctive detailing which underlines the Cupra R's extreme nature includes arch-filling 19-inch, five double-spoke alloys shod with ultra-low profile 235/35 tyres. The wheel assembly also enables a set of generous 17-inch 345 x 30 mm front disc brakes with 16-inch 286 x 12 mm at the rear, up-rated to deliver the greater braking capacity obviously required to keep that 265 PS safely in check.

The interior features eye-catching competition-styled bucket seats in grey alcantara upholstery, white LED lighting on the instrument dials, a leather-clad multi-functional steering wheel and sporty aluminium-trimmed pedals.

In its home market, the latest Leon's extensive line-up of standard equipment includes ABS + TCS, ESP + EBA, XDS (SEAT's new electronic system which mimics the function of a limited slip differential), front and front side airbags, curtain airbags, passenger airbag disconnection, rear window seat Isofix anchoring points, low tyre pressure warning, light and rain sensors, rear parking sensors, cruise control, trip computer, cornering fog lights, dual zone climate control and MP3-compatible eight-speaker CD/radio.

GREEN & LEAN ENGINE LINE-UP ANNOUNCED FOR NEW BRITISH-BUILT ASTRA

Luton – Vauxhall's all new Astra will debut at the Frankfurt Motor Show on September 15 with a highly competitive line-up of petrol and diesel engines boasting reductions in CO2 over almost all equivalent models in the current Astra range.

The new model, which will be produced at the UK's Ellesmere Port plant for all markets across Europe, will have an eight-engine range that promises to reduce combined CO2 emissions and fuel consumption by around 10 per cent overall.

Highlighting Vauxhall's continued strategy of reducing CO2 emissions through engine capacity downsizing, an all-new 1.4-litre Turbo engine will join the range from launch, producing 140hp and 200Nm of torque between 1,850 and 4,900rpm. This engine replaces the naturally aspirated 1.8-litre from the current range, yet features lower emissions, equal power and 15 per cent more torque.

Completing the petrol line-up for the new Astra is a normally aspirated 1.4-litre unit emitting just 129g/km of CO2, and two 1.6-litre engines – one turbocharged, producing 180hp and the other an un-blown unit with 115hp.

The Astra's diesel range comprises 1.3-, 1.7- and 2.0-litre units, all of which feature common rail fuel injection and produce combined CO2 emissions of no more than 129g/km* (with manual transmission). Despite this, their power will

range from 95hp to 160hp, allowing generous performance with optimum frugality.

As with the Insignia, all Astra powerplants meet stringent Euro 5 emissions standards, and at a later stage an ecoFLEX model will be added to the range, achieving 109g/km of CO2 on the combined cycle*.

All Astras will be equipped with six-speed gearboxes, with the exception of normally aspirated 1.4- and 1.6-litre models and the 1.3-litre CDTi which employ a five-speed manual gearbox. A new, compact automatic transmission will be available for all petrol models.

Supporting the new Astra at Frankfurt will be the efficient, but powerful Insignia ecoFLEX and Vauxhall/Opel's groundbreaking Ampera.

BOWLS ROUND-UP

RELEGATION FEARS EASED AT HONITON

SEATON with Dave Ford

ON Saturday, August 15th four rinks of Seaton ladies and gents played the annual match for the Price Cup.

Played in its usual friendly but competitive fashion, it finished up with both the ladies and gents winning on two rinks each.

When the scores were totalled it was the men who ran out the winners. Top ladies rink comprised of; Betty Steer, Barbara Thompson, Angie Mayhew and Julie Grant, whilst the top mens rink comprised; Jeremy Allison, Ted Harden, Roy Carnell and Ray McDonald.

At the tea that followed, ladies captain Angie congratulated the men on their win and presented the Cup to mens Captain Don.

Six rinks of Seaton Ladies took on six local clubs playing for the Perham Trophy, again an annual event sponsored by the Perham Family.

At the end of the afternoon, Sidmouth Ladies were declared the winners, with Budleigh Ladies the runners-up.

A few weeks ago Seaton Ladies won the Spears Trophy, at a similar event run by the Sidmouth Ladies, so I am sure that they travelled home happy that they had taken their revenge for that defeat.

The over 60s had a great win over arch rivals Madeira on Wednesday winning on both rinks 37-24.

Top rink: J. Allison, J. Wright and R. Woodland 22-10. The other rink is well worth a mention, although they only won by one shot 15-14.

Going into the final end four shots down, they picked up five shots thus securing the two extra points which could prove vital with just two games to play.

Ann Brown and Julie Grant won five matches on the way to the last eight in the over 55s county pairs.

Madeira and England player Sue Herriott and her partner ended their challenge at this stage, going on to reach the final.

The two friendlies this last week have both resulted in heavy losses for Seaton BC.

Against Lyme Regis at home four rinks of men lost 62-83. Top rink: F. Dart, G. Fullalove, L. Skipper and Roy Carnell 20-16.

Five mixed rinks, playing away at Tiverton BC, fared even worse losing 88-121, although the afternoon was greatly enjoyed by all.

There was only winning rink for Seaton: Ruth Gregory, Bob Scull, Dave Yardley and George Mabon.

FENITON with Roger Smith

IN the Over 60s men's triples competition Feniton's A team won a re-arranged fixture against Honiton A by 33-29.

The winning rinks were E. Cox, A. Evans and R. North 17-15 and A. Williams, R. Smith and R. Arundell 16-14. This win reinforced their position of third in Division Three.

On the Tuesday the club entertained The Supreme Bowling Club, a touring side from Surrey. On a pleasant sunny afternoon Feniton mixed team lost by 95-124. The winning rink was C. Cheeseley, F. Jones, F. Imms and L. Eveleigh 24-17 with another rink being tied.

On Friday the over 60s triples teams were both in action. The A Team lost to bottom of the table Heavitree B by 35-45. The winning rink was S. Nevill, E. Cox and R. North 21-15.

The B team beat Exeter Isca B by 46-33, thereby helping their efforts to avoid relegation. The winning rink was C. Cheeseley, G. Skinner and F. Imms 35-14.

On Saturday the mixed team had an away fixture at St. Thomas and won by the narrowest of margins 91-90. The winning rinks were L. Crook, F. Brooks, C. Granger and I. Veitch 24-11, T. Pyle, J. Rowles, R. Clarke and R. Arundell 24-13 and E. Cox, J. Cartland, F. Imms and R. Smith 19-16.

On Sunday the Feniton mixed team scored a resounding win over Belmont winning on all rinks by 81-35.

The winning rinks were E. Cox, R. Cooke and S. Kury 21-8, R. Crowe-swords, E. Tuck and G. Skinner 22-11, L. Crook, T. Young and R. Veitch 21-10 and F. Jones, J. Mitchell and I. Veitch 17-7.

HONITON with Tony Broughton

THE Honiton Over 60s teams have been busy this week catching up on matches lost to bad weather throughout the season.

Honiton B team had two matches with Okehampton. On Monday they were away and emerged with six of the eight points. Tony Trembeth, Bill Sheerman and Ken Morfe had already won their rink by four shots.

Don Russell, Ken Clarke and Tony Broughton were one shot up and holding one when the Okehampton skip, with the very last bowl of the match, fired the jack out to the string to get a three and win by two.

On Wednesday Okehampton came to Honiton and the fortunes were reversed. Okehampton took six of the eight points.

Winning rink was Don Russell, Ken Clarke and Tony Broughton at 15-12, the other rink lost by eight shots.

Thursday Dawlish Marina come to Honiton and the B gained another six points from a very tight game.

On the 14th end Tony Broughton played three perfect bowls to take five shots and bring the score to 14-14 at the same time the other rink was 14-14-14.

He then lead his team mates, Ken Clarke and Don Russell to a 20-14 win. The other rink eventually losing out at 16-19.

Never the less, this should now be enough points to ensure they stay in Division Three.

The A team did not fair so well losing on both rinks playing the Feniton team that are currently third in the table.

Wednesday the A team was at home to the C team who came out clear winners taking all eight points. The C team's top rink was Tony Tooley, Ray Gregory and Ken Large with 27-11.

This now ensures this team a place in Division Two next season as they are sure to finish in the top two.

The A team are now dependant on Exonia and Heavitree results to keep them in Division Three.

I am happy to say Jean Mitchell and Rita Barwick won their quarter-final match in the over 70s pairs and now go to Finals day, we wish them the best of luck.

Our top male player, Trevor Pipe, has been doing well to conceal his advancement in the county over 60s singles competition.

The author discovered this week that he has reached the semi-final and will play-off for the championship during the Finals Weekend, on 5/6th September at Brauton.

The Ladies top club side continues to do well. On Thursday they took three of the five disciplines when they played Morchard Bishop on a neutral green at Crediton.

Lynda Dommett, Brenda Harris, Joan Heard and Sue

Evans Rinks 27-10. Yvonne Rayner, Ann Hillyear and Dulcie Broughton Triples 23-17. Rita Barwick and Shirley Hiscocks, Pairs 17-23. Carole Fisher Singles 19-21 and Rosemary Hirons two Wood 16-10.

This now puts them into the Semi Final/Finals day to be played at Exmouth, Madeira Club on Thursday 27th. Their semi-final opponents will be United Service from Barnstaple.

Only one friendly match this week when the Belmont Club from Exeter brought along four mixed triples teams.

Although Belmont won on three of the four rinks the win of 23-7 by Terry Herd, Roger Willcocks and Tony Tooley was enough to carry Honiton to an overall two shot victory. Bowls can be so unfair at times.

SEMI-FINALIST: HONITON bowler Trevor Pipe who is through to the Devon over 60s semi-final.

HOLE IN ONES AT HONITON AND AXE CLIFF

AXE CLIFF GOLF with Helen Gaudie.

THE main club competed on Sunday in great conditions for the Santer Stevens Cup with difficult Bogey format.

Trevor Part (21) won with +5 whilst unlucky Alex Todd (9) had the same score but a poor back nine and third was Matt Bond (2) with +3.

On Thursday the ladies and the men played for the Gruesome cup this is a Greensome competition played over 14 holes in lovely balmy conditions. The winners were captain Steve Anning and Sandra Walker with 31 points, second was lady captain Chris Drew and the seniors captain Chris Walker with 27 points.

The Ladies played A four ball better ball friendly match against Taunton Vale Ladies on Monday. The Axe Cliff ladies played their socks off and won 2-0 and halving two, the winning pairs were Helen Gaudie/Alison Cook and Pauline Standerwick/Margaret Brown, the halves were Chris Drew/Janet Dack and Liz Wheeldon/Mary Gippis.

The ladies played their scratch/Handicap Cups competition on Wednesday in summer sunshine.

The winner of the Scratch Cup was Sandra Walker (14) with a nett 76 and the Handicap Cup was won by Barbara Cummings (25) also with a nett 76 she also won the medal on the back nine ruling.

In the Seniors Section in the past week there were two return inter-club matches, both at home. The first

against Windwhistle produced a fine 4 1/2 v 1 1/2 victory.

Winning pairings for Axe cliff were Chris Walker/Morrison Brown, Terry Jessup/Geoff Hughes, Keith Wilson/Rob Grove and Peter Motson/Norman Stone.

The half point was won by Malcolm Glass/Bryan Dale. Although the earlier match against Windwhistle was lost the overall score was 6 1/2 v 5 1/2 in Axe cliff favour.

The second with Bridport was also a win by the narrow margin of 3 1/2 v 2 1/2. Winning combinations for Axe cliff were Gilbert Cox/Terry Jessup, Tony Strong/Hugh Willis and Chris Jowett/Morrison Brown.

The half point was won by Chris Walker and Guy Buckle. This win was the more significant as the home team was playing short, Malcolm Glass had to play on his own and only narrowly lost 3/2 to an experienced Bridport duo.

This victory completed the double win over Bridport which is real achievement in itself.

Playing alongside Helen Gaudie and Malcolm Glass in the annual Mixed Greensome at Lyme Regis last Saturday, Iain Bain partnered Gina Churchill from Tiverton won 4th prize in a field of about 50 couples with a score of 41 points.

The total contained a five point hole at the third where Iain sunk his tee shot for an Ace.

This was only his second hole-in-one in a long golfing life and equalled Malcolm's total, as he recently had his second ace when he sank his tee shot at the par three seventh at Ashley Wood.

HONITON GOLF with Pul Dimond.

AN individual stableford qualifier off of the back tees is normally a tough test but warm, still conditions greeted the gentlemen of Honiton on Sunday morning which meant some low scores and highly enjoyable golf was possible.

Winning Division One with 39 points off an eight handicap was Jeff Peace, with Terry Dimond second with a creditable 38.

Rising to the top on countback of a long list of 37s was Barry Wilkinson. The Handicap Secretary began to salivate when the Division Two scores were announced, it being dominated by Bob Hill with a massive 41 points, beating Ben Barton by four clear points into second.

Roger Davies continued his run of good form to finish in third on 36.

MIXED GOLF

TUESDAY'S mixed competition was played under blue skies with bright sunshine. This week's format was Foursomes Medal, steady play being the order of the day.

The winners with a Net 67 were Andrea Squire and Mike Watts. Second with a Net 74 were Olwen and

Bill Eaton. Third place with a Net 75.5 went to Sheila Banks and Paul Witton. 4th Net 77.5 - Jane Watts and Stan Squire finished fourth with a Net 77.5.

Congratulations were extended to Todd Grove who had a hole-in-one on the 12th.

LADIES GOLF

THIS week the Ladies played for the Del Cup. This is a 36 hole Stableford competition played over two days.

The winner was Lady captain Sue Selway with 69 points (33+36) closely followed by the runner-up Chris Pearce with 68 points (31+37).

The second round incorporated the August Stableford. Results were: Silver Division - Winner Chris Pearce 37pts, runner-up Sue Selway 36 pts.

Bronze One - Winner Linda Northover 37 pts, second Catherine Doherty 35 pts on c/b from 3rd Chris Luttman.

Bronze two - Winner Sharon Dacre 39 pts, runner-up Rosemary Whiteley 36 pts. 3rd Jean Moon 35 pts.

The Courtney Harris Final has been played. This is a Foursomes Medal competition played earlier in the year with the best 16 pairs going through to Match-play.

The final was a closely fought match between Lady Captain Sue Selway and Henrietta Bradshaw against Ladies competition secretary Sue Ritchie and Linda Northover. Sue and Henrietta eventually won on the 20th hole.

HOLE IN ONE FOR FAYE SEED

LYME REGIS LADIES GOLF by
Ellie Langford

FAYE Seed was the talk of the club after scoring a hole-in-one on the third.

She took a three wood off the tee, pitched on the green where it ran out of sight. When she couldn't find the ball anywhere, Faye decided to look in the hole and to her amazement there it was.

Such was her delight that everyone on the course heard her shrieks of joy.

She phoned her husband to bring money for the traditional round of drinks, but when he arrived he was very pleased to find that a flagon of wine was put aside for the first hole-in-one of the season!

The next day Faye was presented with a gallon bottle of wine courtesy of Rioja.

It was a pleasant sunny day resulting in some high scores. The winner of the Regatta Trophy was Lesley Jelleyman showing her true potential with 40 stableford points and a cut in handicap from 24 to 23.

Other handicap reductions were Gilly Madill 24 to 23 and Brenda Brown 28 to 27.

Stableford results

Division One

Diane Smith 39 pts (after count back)
Pat Hunt 39, Jane Southcombe 37.

Division Two

LESLEY Jelleyman 40 pts Brenda Brown 38, (after count back) Gilly

Madill 38.

Division Three

PAT Jenkins 34pts Jean Forbes-Harris 32, Julie Duke 30.

◆ PERFECT SHOT: Faye Seed receives a flagon of Rioja from Club steward David Astill to celebrate her superb strike on the 168-yard par three hole at Lyme Regis Golf Club last week.

SIDMOUTH GOLF CLUB *Bright and Hitchcock land Potbury Trophy*

With Chris Haigh

POTBURY'S TROPHY

POTBURY'S of Sidmouth were gracious enough to sponsor the most recent Club day and were rewarded with fine weather and over 130 entries.

Ian Bright and Paul Hitchcock took the trophy and substantial vouchers to be used at the sponsor's store in the town.

After a slow start Bright set the course alight with five birdies including three twos to amass 43 points.

Low handicap players usually seek a partner with a few shots to help out, but the pairing of County Vice-Captain Neil Holland and Club Champion Duncan Taylor were only allowed five between them.

This didn't stop them matching the top score and losing on countback.

Rob Finch also recorded three twos and with help from Phil Spencer took third on 42 on countback from Challenge Cup semi-finalist Alec Salway and fellow Emerton-Court player George Carr.

Please spare a thought for Terry Jones and Donald Cooper who recorded 45 points but a card error was spotted and they were unable to collect their prize.

In a game of gentlemen (and Ladies) it was a delight to see them accept the news so gracious-

ly and take a drink with the winners after play.

Lady Margot Beauchamp and Maureen Howard took the Ladies prize on countback from Sheila Thomson and Mavis Vanstone.

Club Captain Paddy Tallon gave thanks to the sponsors for their generous support and Mr Martyn White, a former Club Champion himself, offered a few words on behalf of Potburys.

STABLEFORD

STUART Coles had a very impressive round of golf in the Stableford, a massive 45 points was enough to see him take first prize by three points, his round of golf included four birdies and an eagle.

Two members that have not been seen on the leaderboard for a while are Steve French (second) and Paul Cox (third).

The scoring was very high this week with the top 10 players all getting 40+.

Another rare appearance in the stableford was from Damion Gee, playing off +1 he shot a gross 60 including five birdies and an eagle, a very impressive back nine of 27 which had one two, seven threes and one four!

In the seniors section Tony Willson came first with 37 beating Brian Dibley on a countback with Derek Gear also beating George Hudec in to third on the countback.

B TEAM HEADING BACK INTO DIVISION TWO

LYME REGIS BOWLS with Paul Moffitt.

IN the leagues, the ladies and the men's A team continue to succeed. Unfortunately the B team, barring a miracle, are still on that slippery slope back to Division Two.

The A team collected all 10 points at home to Wellworthy B, despite a last minute hiccup on John Wells' rink when they dropped a six on the 20th end.

The ladies took won points at Verwood in Division Two of the Dorset League and for a while it looked as if it would be all 10.

One of the leads, on the Verwood side, was taken ill halfway through the match and for the remainder of the game the numbers two and three played with three woods.

This seemed to completely bamboozle Kathy Clissold's rink and they failed to score another shot after being eight shots ahead. Even after a reduction of 25 per cent the

Verwood rink ran out narrow winners.

Seaton football club Funday and charity auction

SEATON Town Football club are staging a Funday on Sunday, August 30th.

The event begins at 2pm and will include a barbeque, Tombola, penalty shoot-out competition, face painting, cake stall, bouncy castle and various other attractions.

There will also be live football on the big screen with Manchester United taking on arch-rivals

Arsenal in a Premier League clash at Old Trafford.

Following this there will be an auction in aid of Seaton Town footballer Ryan Turner's scheduled climb of Mount Kilimanjaro on October 2nd.

Ryan has already raised £2800 towards the climb and hopes to increase this by way of the auction to £3250.

NAGS HEAD DARTS LEAGUE Prowse is runaway Champion

TERRY Prowse is the Nags Head Singles Darts League Champion for 2009.

Prowse has finished the season unbeaten and with a nine point lead ahead of runner-up Derek Pratley and Third placed Nigel Druce.

Prowse racked-up nine 4-0 whitewashes in his 19 victories, but the top shot-out award went to Dan Morley for his 146 back in June. The league table, with one outstanding fixtures, is as follows:

32-mile Dorset run not quite a doddle for AVR's

AXE VALLEY RUNNERS with Dave Mutter

Six AVR's of questionable sanity ran, walked and staggered Sunday's 32 mile Dorset Doddle along the coast path from Weymouth to Swanage.

This was a Long Distance Walkers' Association event rather than a race, but many runners entered for the low-pressure, race-free running in absolutely stunning scenery featuring a shocking number of big climbs making it mile-for-mile hillier than the Grizzlys.

Honiton's Heather Foundling-Hawker took a few wrong turnings which required back-tracks but still thoroughly enjoyed herself without the pressure of a formal race and finished first lady and a superb second overall in 5:28.

Garry Perratt and Jamie Lambert led the AVR pack from the off but by ten miles it was clear that Garry couldn't keep up the pace so Jamie went on ahead, pulling back from 15th to finish in an astonishing 5th place in 5:49.

Garry was caught by Jon Day and Geoff Woodward who slowly got

away with Jon finishing 9th in 6:13 and Geoff 16th in 6:30. Garry struggled with exhaustion and cramp but gamely kept plugging away to finish in about 6:35.

Steve Reynolds got lost in Swanage (as did Garry, it has to be said) but finished in 7:02.

Chris Keefe has really got the ultra running bug but once again struggled and left the course at the fourth checkpoint at 22.5 miles to walk directly to the finish, still doing 27 miles of tough going on foot during the day.

Luke Reed and Andy Crispin were the only AVR's taking part in the Torbay Regatta 10K on Sunday evening.

Tom Payn of Winchester & District led the 555 strong field home in a blistering 31.05.

Luke Reed finished 18th in 37.18, this time was 1min26 seconds faster than last year's race.

Andy Crispin is building up his miles in preparation for the Musbury challenge and was very pleased with his run, beating the hour to finish 429th in 59.08.

TIGERS MADE TO PAY FOR DEFENSIVE ERRORS

AXMINSTER TOWN 2 ALPHINGTON 5 SOUTH WEST PENINSULA LEAGUE DIVISION ONE (EAST)

AXMINSTER Town got off to a good start in the 20th minute when defender Danny Beer sent Ollie Highett racing into the penalty area before driving home crisp shot.

Alphington responded and pulled one back when Ben Harris fired in a shot which was half stopped by Tigers' goalkeeper Brett Garner but the ball rolled over the line into the net.

◆ CLOSE ATTENTION: Axminster striker Richie Emmett (right) battles for possession. Photos by Andrew Graham

Striker Mark Hancock headed home in the 40th minute to restore the lead, but just before halftime break a mistake in the hosts' defence let in Wonnacot who levelled the score.

Early in the second half 17-year-old centre back Dan Jewell had to come off with a pulled thigh muscle, which caused a re-shuffle in the Axminster defence.

Worse was to follow when another mistake presented Kevin Smith with the chance to make it 3-2.

The Tigers never got their passing game going together and further errors allowed Wonnacot and Harris to make the final score 5-2.

This was a set back for Axminster who certainly have work to be done to get back to winning ways.

Man-of-the Match: Dan Jewell.

ALL ENGLAND TITLE FOR HONITON POWERLIFTER CHRIS

HONITON-based Powerlifter Chris Morgan, has added the All England Championship to his growing collection of honours.

He was lifting in the national competition, held at Moulton College in Northampton, England and made lifts of 230 kilos in Squat, 115 kilos in Bench Press and 230 Kilos in Deadlift, giving him an overall total of 575 kilos.

He was once again competing at a bodyweight of in the 82.4 kilos.

Speaking about the competition, Chris Said: 'It's wonderful to get back to winning ways and take my first major title since the middle of 2006.

"The result was surprising after picking up so many injuries over the past six months. I still feel there is still plenty of improvement to come as my figures this weekend were not my best ever and I'm operating in this higher weight class.

"Some of the new training methods that I'm using are starting to pay div-

idents and I'm now looking forward to the international season which is about to start'.

"I'm very realistic about my prospects for the forthcoming World Championships and it's important not to get too far ahead of myself. I'm working to a long term plan, which will hopefully prolong my career and allow me to compete in more competitions annually.

"I'd to take the opportunity to thank all my colleagues and friends for their recent support through my injury problems."

Chris's forthcoming competitions are the World Deadlift Championship to be held in Bradford, England on the 13th December, World Drug Free Powerlifting Championships to be held in Milton Keynes, England on the 14th and 15th November and The South West Divisional Championship in Newquay, on the 6th December.
